Custom agent suite
built for the organization

Project — FIXED SCOPE

A defined objective, deliverable, timeline and price. Best for one-off needs.

CaaS — FRACTIONAL ADVISORY

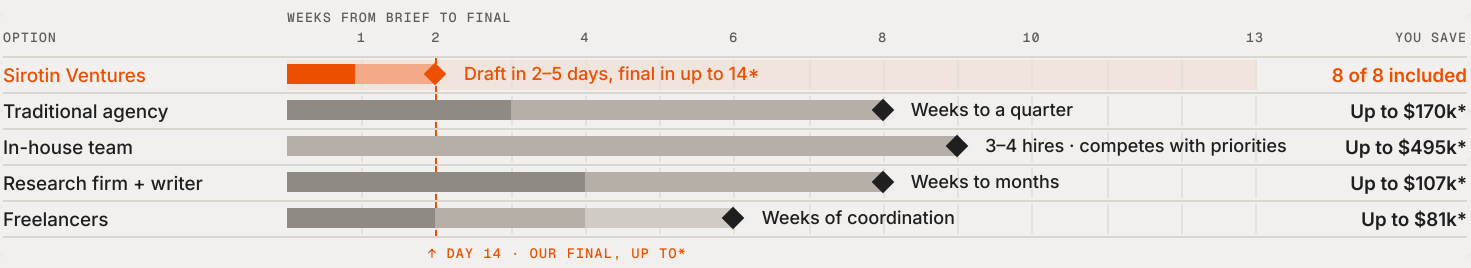
Ongoing strategic communications without the full-time hire. Pause or resume anytime.

Enterprise — CUSTOM

Complex, multi-market or sensitive mandates built around your organization.

HOW WE COMPARE

UP TO 10× FASTER · UP TO $495K SAVED A YEAR*



*Typical yearly costs for a comparable scope of strategy, research, writing and design, compared with a typical retainer in our standard range. We include all eight: strategy, research, writing, design, a senior lead, custom AI agents, review rounds and ownership. Final delivery in up to 14 days depending on review rounds.

Angelica Sirotin

FOUNDER & CEO

Angelica Sirotin is an award-winning business analyst, strategic communications expert, and venture builder in AI, technology, and investment. She is CEO of Sirotin Ventures and a Founding Partner and Chief Communications & Partnerships Officer at Space Rising. MSN named her among its Top 10 Trailblazing Women of 2026. She authored Strategic Communications for Space 101 and developed the VALUE GAP™ curriculum. Through Sirotin Intelligence, she shares insights from experts across NATO, DoD, NASA, and DARPA. Her honors include Forttuna Global 100: Game Changers 2026 and Strategic Business Advisor of the Year 2024.
