No

Warranty:

All products are guaranteed to be free of manufacturer's defects for 1 year after purchase. In the case of a product malfunction from a manufacturing defect within this period, the product will be repaired free of charge, with shipping to the studio covered by the customer and return shipping covered by J.T.B. In some cases, a refund may be offered. Please note that as many of the products are handmade, some small imperfections may be present.

After the warranty period, products can be sent back to J.T.B. for repair at the cost of parts and labour. Shipping is covered by the customer in this scenario.
