HUEPHORIA

Producer and DJ from Salt Lake City and Boise, making futuristic, energetic EDM.

For fans of Martin Garrix and Knock2.

bio

about

Huephoria is Sam Willis, a Boise producer and DJ who has been making electronic music for over a decade. Razor-clean production, syncopated rhythms, and bass made to be felt run through his 2025 debut album, Synesthesia, his single "Clearer Than Light," and his first official remix, for Matt Hopper & The Roman Candles. Fully saturated. Headroom optional. He plays regular late-night sets at Space Banana in downtown Boise and played Breakaway Music Festival Utah in October 2026.
