Bringing animals into NBP

Animals and pets are **not allowed** inside NBP premises, unless they are a **Registered Service Animal**

We understand that you may want your furry friends with you during your session. Unfortunately, due to government and state guidelines, we cannot allow any animal that is not a registered service animal onto the premises for safety reasons.

If your animal is a registered service animal, you may be asked for **proof of registration**, or your **handler's identification documentation,** as per QLD's **Guide, Hearing and Assistance Dogs Act 2009.**

If your animal is a registered service animal, they will be need to be wearing the **appropriate signage** as required by the Act (2009). If they show signs of **disruptive behaviour**, you may be asked to leave the premises for the safety of our clients and staff.
