

IZZY MACARTHUR

Actress | New York, NY | Los Angeles, CA | Non-union

Izzy MacArthur is an emerging actress and singer with a background in music and entertainment who grew up in New York City and Maine. Her household embraced storytelling & creativity, and Izzy started off at an early age performing. A consummate creative, she's worked in various spaces as a musician & creative director. After creatively directing, editing, and co-directing her own music videos, she realized she had a love for telling stories through this medium, leading her to pursue more formal training in her hometown of New York City.
