FINAL QA AND NUMBERING

- Original Homework 7: 30 pages; final existing question Q171, printed page 29.
- New questions: Q172-191 vocabulary (6 synonyms, 6 antonyms, 8 in context); Q192-211 word analogy (20).
- Each additional question contains five distinct A-E options and one designated correct answer.
- For all analogies, each group has exactly three candidate words; nine possible bracket pairings were reviewed against the stated relation.
- Vocabulary meanings, grammar, answer letters, and analogy directions were reviewed independently; original booklet pages were not modified.
- These are independent 11+ practice questions in a Quest-style format, not official Quest examination questions.
