About

Priyanka Gathani is a Global Finance Advisor and Founder of 10X Fin Solutions, an end-to-end business and finance advisory firm that helps MSMEs, founders and corporates with capital-raising advisory, cross-border transactions and governance, so they can scale with confidence. A triple-qualified finance leader (CA, CS, CMA) and IIM Indore alumna with 15+ years of experience, she is also a practising Chartered Accountant through Priyanka Gathani & Company, Chartered Accountants.

She has held leadership roles at Linde India (Tax & Treasury), Tega Industries (Forex & Treasury), Bandhan Group (KMP), VFS Capital (CFO) and MetricsNumero (Executive Director & Global CFO, later Global CFO – Advisory). Her advisory spans corporate treasury, cross-border transactions, fundraising, securitisation, financial strategy and board-level governance. Today she advises businesses across sectors, from manufacturing, mining, power and real estate to IT, banking and NBFCs, on strategy, capital advisory and governance.
