
SALTWAY RECORDS

INDEPENDENT LABEL · SINCE 2019

Saltway is a small independent label run from a room by the harbour. We started in 2019 with one 7-inch and a borrowed van, and we put out a few records a year by artists we'd go and see on a wet Tuesday.

Every release is an era: its own colours, its own run-up and its own release day. Nine records and counting, on vinyl, cassette and everywhere you stream.
