

LIA LUBINSKY

LIGHTING DESIGNER

Hi! I'm Lia and I'm a lighting designer from Westerville, Ohio. I am currently working towards a Major in Lighting Design and Technology and a Minor in Media Productions in the Conservatory of Music at the University of Cincinnati. I have had a passion for lighting and stage design from as early as I can remember, and I love bringing that passion into the works and visions of directors and project managers.

EXPERIENCE

Westerville Central High School Technical Employee

Westerville City Schools | Westerville, OH
2022-2023

Worked with several clients, including dance companies, symphonies, and religious organizations to bring an event to fruition through the operation and management of audio and lighting. Had quick turnaround times to get an event cued and designed. Worked directly with event managers and helped them bring their vision to fruition. I would often have 12+ hour weekend workdays and spent time working off the clock to prepare for a contract.

University of Cincinnati Marching Band Videographer

University of Cincinnati | Cincinnati, OH
2023 - Present

I film and create content for the University of Cincinnati Marching Band such as hype videos, performance videos, documentaries, and advertisements. I use tools such as gimbals, field audio recording, drones, Premiere Pro, Final Cut Pro and DaVinci Resolve.

Lighting Designer and Programmer

2022-2023

I have had an opportunity to design and program various shows. I have worked on titles such as "Night of the Living Dead", "Willy Wonka the Musical", "The Lightning Thief: The Percy Jackson Musical", "Mean Girls the Musical", and "Oliver!" I bring a unique lighting style to every show and always try my best to be extraordinary.
