ABOUT

ADL Delizia (*Delizia Italian for delight*)

Delizia is a minimalist, elegant typeface inspired by the design sensibilities of the 1920s and 1930s. It blends period-specific details with a contemporary, user-friendly approach. Clean lines are softened by subtle humanist curves, creating a balanced and visually engaging aesthetic. As a high-contrast, narrow sans serif, Delizia moves seamlessly across weights from delicate thin styles to black. Originally designed for editorial headlines — but it lends itself to a wide range of applications. Through its interplay of tension, balance, and distinctive forms, Delizia celebrates an ideal of refined beauty and delight.
