

Dear Students,

Heartiest congratulations on successfully qualifying the AOP Entrance Examination. Your achievement is a reflection of your hard work, dedication, and perseverance. This milestone marks the beginning of a promising academic journey, and we at DEMPO PACE are immensely proud to have you with us.

As you prepare for the next phase of your academic journey, we encourage you to complete your admission formalities without delay. Early Enrolment allows you to take full advantage of orientation programs and academic planning from the school.

As you proceed with the admission formalities, please note that each student is entitled to avail of **only one offer**. This policy ensures fairness, transparency, and equal opportunity for all candidates. The offers are as follows:

1. SCHOLARSHIP FOR TOP SCORERS- Students who are entitled have been indicated in the list below. This offer is available only **until 30th September 2026** **after which the scholarship will be given to deserving candidates answering the next AOP in October 2026.**

2. EARLY ADMISSION OFFER- All students (apart from Top Scorers). Please be informed that the **Early Admission Offer** is available **only until the reserved seats for this offer are filled, or up to 26th September 2026 — whichever occurs first.**

We look forward to welcoming you and supporting you in achieving even greater milestones in Engineering and Medicine. Let your journey toward excellence begin today.

Parents please note that admissions open from **10th September 2026 onwards** with a short break from 13th to 20th September for Ganesh Chathurti.

In the cases where a child may have not qualified, do not worry! You have a month to prepare and give a second attempt either on 2nd Oct or 4th Oct 2026.

Warm Welcome

Principal Clarice Pereira E Colaco
