**Georgii Bezbakh**

has successfully completed the online, non-credit Specialization

# Financial Management

In this Specialization, you will learn the skills essential for evaluating major strategic corporate and investment decisions to understand capital markets and institutions from a financial perspective. This Specialization covers financial accounting, investments, and corporate finance. It provides an integrated framework for value-based financial management and individual financial decision making.

*Scott W. Weisbenner*

Oktay Urcan, Scott  
Weisbenner, Heitor  
Almeida, and Joe  
Bradley, Professors of  
Business Administration

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
