PROFESSIONAL SUMMARY

Information Science graduate student and emerging UX/HCI professional with experience in digital systems design, metadata architecture, user-centered research, and large-scale organizational leadership. Passionate about building accessible, intuitive systems that improve how people interact with information.

EDUCATION

B.S. Information Science, Minor in History | University of Maryland, College Park | GPA: 3.34 **May 2026**

M.S. Human-Computer Interaction | University of Maryland, College Park **Exp. May 2028**

Relevant Coursework:

Database Design & Modeling (A+) | Information Organization (A+) | Intro to Data Visualization (A) | Statistics for Info Science (A-) | Info User Needs & Assessment (A) | User-Centered Design (A+) | Dynamic Web Applications (A) | Human-Centered Cybersecurity (A) | Data Sources & Manipulation (A-) | OOP for Info Science (A) | Technical Writing (A) | Design Tools for Learning (A) | Technology Infrastructure Architecture (B+) | Capstone for Info Science (A+)

SKILLS

DB & Data: SQL, Supabase, metadata schema design, database auditing; **Programming:** Python, Java, JavaScript, HTML/CSS, R, C#; **UX & Design:** Figma, wireframing, usability evaluation, Adobe Creative Suite, Canva; **Analysis:** Survey design, data visualization (R, Python), statistical reporting; **Platforms:** Google Workspace, Microsoft Office, Vercel, HubSpot; **Comms:** Content writing, digital marketing, social media management

PROFESSIONAL EXPERIENCE

Digital Engineering Library Consultant | *Montgomery County Department of Transportation* **Apr 2026 – Present**

- Researched best practices for digital asset management and metadata standardization across 3D–7D engineering data types
- Designed metadata schemas and naming conventions to improve consistency and retrieval across MCDOT engineering platforms.
- Collaborated with MCDOT's P3DSETI team; advancing to Phase 2 for system build-out and implementation

AI Training & Evaluation Contributor | *Handshake AI Fellowship (Projects Argus, Hedgehog, Helix)* **Jan 2025 – Present**

- Developed and evaluated structured datasets across audio, visual, and text tasks with high accuracy and documentation standards
- Analyzed codebases to identify and correct errors; produced "gold standard" benchmarks for model improvement

Brand Ambassador | *Intuit TurboTax* **Sep 2024 – May 2025**

- Selected for a competitive national program; represented the brand via targeted digital content creation and campus outreach

Artist Operations Assistant | *The Clarice Smith Performing Arts Center* **Aug 2024 – Present**

- Coordinated front-of-house and backstage logistics for live events; maintained accurate records across shifting schedules

Orientation Advisor | *UMD Office of Orientation and Transition* **Dec 2022 – Dec 2023**

- Facilitated orientation programming and small-group engagement initiatives for hundreds of incoming UMD students.

LEADERSHIP & COMMUNITY ENGAGEMENT

Chapter President | *Delta Sigma Theta Sorority, Inc. — Kappa Phi Chapter* **Spring 2025 – Spring 2026**

- Leads all chapter operations and programming; manages budget and serves as liaison with regional officers and university admin

Founder & President | *Mind Matters (Student Mental Wellness Org)* **Apr 2023 – May 2026**

- Founded org, launched campus events and workshops; administered program surveys to evaluate outcomes and guide future programming

Public Relations Chair & Social Media Manager/Designer | *UMD Stepp Team* **Nov 2022 – May 2025**

- Designed promotional materials; managed social media accounts and executed PR strategies to drive event visibility and attendance
