WELCOME TO AUCHINBEE

A place to feel safe, happy and excited to learn

At Auchinbee, we've created a space where children feel safe, happy, and excited to learn. Our caring team supports each child's curiosity, confidence, and creativity through a mix of play, fun experiences, and plenty of outdoor adventures. Learning isn't limited to inside the nursery, we often head out on local trips that explore children's interests, bringing learning to life in new ways. Parents get regular updates from the team caring for their child, so you're always in the loop and reassured.

Our bright, purpose-converted nursery offers high-quality childcare for children from birth right up to 5 years old, with fun and engaging spaces indoors and out. We're open Monday to Friday, 7:30 am to 6:00 pm, 50 weeks a year, offering the flexibility families need.

Auchinbee isn't just a nursery, it's a place where children are truly supported to grow, explore, and shine in their own unique way.

HOURS OF CARE DAILY

A safe & nurturing environment

Our aim is to provide a welcoming and stimulating environment where children feel happy, secure and eager to learn. We focus on nurturing independence, curiosity and social skills while embracing each child's unique background. We work closely with our parents and carers to ensure a smooth journey throughout Auchinbee life, creating positive experiences that support every stage of development.

Our activities are thoughtfully designed to spark curiosity and imagination while supporting children's learning and development. Beyond the experiences offered within the nursery, children enjoy regular local outings, festive celebrations and family events, and in their final year, we celebrate their journey with a special **graduation ceremony** as they get ready for the next stage of their education.

"We couldn't be happier with our choice of nursery. The staff really took the time to get to know our child. It made the whole settling-in process feel calm and reassuring. We love how well they communicate with us, whether it's updates about meals, activities, or just how the day went. The atmosphere is warm and welcoming, and it's clear the children are genuinely cared for."
