Harris Adnan

Product Designer

London, United Kingdom · hello@example.com · example.com

Profile

Product designer with six years of experience turning research into calm, useful products. I work across discovery, interaction and visual design, and I build the design systems that keep teams shipping.

Experience

Lead Product Designer · Lumen Health Jan 2024 – Present

Berlin (remote)

Lead design for the patient app and clinician portal, built the Lumen design system and grew the design team from two to five.

Product Designer · Fieldnote Mar 2022 – Dec 2023

Toronto (remote)

Redesigned the desktop app around search and linking, and shipped Fieldnote 2.0 and a new onboarding flow.

UX Designer · Parcel & Co Jun 2020 – Feb 2022

Lahore

Designed live delivery tracking for couriers and customers across web and mobile.

Education

BA (Hons) Interaction Design · Northbridge University, 2016 – 2020

Skills

Product strategy · User research · Interaction design · Prototyping (Framer, Figma) · Design systems · Motion

Awards

2025 · **Gold, Digital Product**, Northern Design Awards
2024 · **Best Mobile App**, The Pixel Prize
2023 · **Honourable Mention**, Interface Awards
