Experience

Navo Studio | Remote
Graphic & Motion Designer | Sept 2026 – Present

Independent graphic and motion designer working across branding, visual identities, and campaigns. Interested in collaborating with creative studios and agencies to support projects from initial concepts through final design execution.

Traits Agency | Atlanta, GA (Remote)
Digital Designer | March 2025 – Present

Created visual assets across branding, digital campaigns, motion graphics, presentations, and print materials. Support creative direction through social media assets, promotional videos, web graphics, and branded communication materials.

SCADpro x Deloitte | Atlanta, GA
Visual Designer | March 2025 – May 2025

Collaborated to reimagine and rebrand direct mail as an immersive, data-driven, and seamlessly integrated marketing channel. This project is currently protected under an NDA and cannot be shared publicly at this time.

CoMotion 2025 | Savannah, GA (Remote)
UX Designer | November 2024 – February 2025

Collaborated with a team of multidisciplinary designers to create the website's visual layouts and digital assets while conducting UX research for SCAD's annual motion media design conference.

SCADpro x Deloitte | Atlanta, GA
UI/UX Designer | March 2024 – June 2024

SCAD partnered with Deloitte to on a ten–week project for the CDC, creating promotional materials, mockups, and pitch decks. Collaborated with the team on UX research and concept development.
