### Get Inspired   Measurements   3d Design   Finishing   Furnishing

**Get Inspired**  
Come to your first design consultation with any inspiration you have, from online pictures to magazine pages of example spaces you like. Be ready to describe your favorite colors and textures.

**Measurements**  
What's your personal style? Your lifestyle, the way you dress, and the treasures you collect can help inform a style and door finish that's perfect for you.

**3d Design**  
A well-designed room can elevate your lifestyle completely. Remember - there's no such thing as too much storage.

**Finishing**  
Express yourself with personalizations. Pick crown moldings, glass doors, hardware, and more to make your space the perfect combination of style and functionality.

**Furnishing**  
Once you have a plan, it's time to start the remodel. Use tools like ENVISION 3D, order finish samples, work with The Home Depot designer, and prepare to demo your old space.

# 3D Design

Our 3D design services are more than just a tool; they are a gateway to the future of home design. With our expertise, you can step into your dream home before it's even built. You can take a virtual tour of every room, explore different materials, and see how your ideas translate into reality.

**Our cutting-edge technology** allows you to make informed decisions about every detail of your home.

From selecting the perfect paint color to choosing the ideal placement for your furniture, our 3D design takes the guesswork out of the equation.

**Step into the Future** of  
Home Design with Our  
**3D Expertise.**

# FINISHING

At DS Home, we believe that the true magic of any space lies in its finishing touches. Our commitment to delivering exquisite finishing services goes beyond enhancing aesthetics; it's about crafting an environment that speaks to your unique style and personality.

**One of the primary goals of finishing and decoration** is to create a harmonious ambiance. It's about selecting the right colors, textures, materials, and furnishings that work in perfect synergy.

**It's about making the space not only beautiful but also practical.**

**We believe that every element** should not only contribute to the aesthetics but also serve a functional purpose.

**With our finishing services,** you can breathe life into your vision. Each project is a canvas on which we paint your dreams, and every brushstroke is a symbol of our meticulous craftsmanship. We're not just creating spaces; we're creating experiences.
