Further to Article 7.2.2 of the Prospectus, and in connection with the applicable KYC requirements, the Participant acknowledges that Legislation currently applicable to the Fund requires that, as part of compliance thereto, certain documents must be monitored to ensure that they are timely and up-to-date. In order to comply with this requirement, the Administrator and/or the Fund Manager will require that certain documents are delivered by the Participant to the Administrator and/or the Fund Manager on a periodic basis. The Administrator and/or the Fund Manager may contact the Participant to request such documents, and, by signing the Subscription Form, the Participant hereby confirms that it will provide the documents so requested on a timely basis. By signing the Subscription Form the Participant has not intended, for any purpose, to enter into a partnership (*maatschap* or *vennootschap onder firma*) or limited partnership (*commanditaire vennootschap*). If notwithstanding the explicit intentions of the parties involved, the existing legal

relationship between them is qualified by any authorized judicial body as such a partnership, the Participant agrees, in so far as necessary, that (i) in case of a redemption of any or of all the Participations by the Participant in case of its liquidation, or in case of any other occurrence requiring under the rules of Dutch law such a partnership be dissolved, the other Participants have the right to continue and are deemed to continue the partnership; and (ii) the payment of the value attributable to the redeemed Participations on the basis of the Net Asset Value per Participation on the valuation date of the Participations redeemed is considered to be the full and final settlement of the share in the joint ownership, if and as far as present, of such a partnership.

10.5 INDEMNITY

The Participant indemnifies the Legal Owner and the Fund Manager and persons connected to them, including the board of management, employees and advisers, without requesting or receiving any compensation therefore, against any claim, loss, damage, liability or costs, including the costs of legal advisers, to the extent that these are incurred by any of the Legal Owner and the Fund Manager and the persons mentioned above as a result of an incorrect representation of the facts by the Participant or by any act or omission of the Participant in breach of the Subscription Form.

10.6 RECOURSE

In case the Participant does not fulfill its obligations under the Subscription Form, the Legal Owner and the Fund Manager reserve all rights and legal remedies available to them under this Subscription Form under Dutch law and otherwise. If the Legal Owner or the Fund Manager does not exercise a right or a legal remedy available to it under the Subscription Form, this should not be interpreted as a waiver of the right to exercise such right or any other right or legal remedy in the future. The exercise of any right or legal remedy by the Legal Owner or the Fund Manager available to them under this Subscription Form does not prejudice the exercise by the Legal Owner or the Fund Manager of the other rights available to them under this Subscription Form under Dutch law or otherwise.

10.7 VALIDITY OF WARRANTIES

The statements, guarantees (*garanties*), acknowledgements and warranties made by the Participant remain in full force and effect after the Subscription Date. If there is any change in anything stated, guaranteed, warranted or acknowledged by a Participant at the time of participation in the Fund, it shall notify the Fund Manager and the Legal Owner thereof without delay.

10.12 SOURCE OF FUNDS DECLARATION (not applicable for subscriptions by custody banks)

The Participant hereby gives its consent to the Legal Owner and other management, administration and service providers of the Fund to disclose this transaction and source of funds declaration as made in section 6 of this form to those institutions which are legally entitled to receive the information contained herein.

10.13 THE U.S. FOREIGN ACCOUNT TAX COMPLIANCE ACT

Under the U.S. Foreign Account Tax Compliance Act ("FATCA"), the United States will impose a withholding tax of 30 per cent on certain U.S. sourced gross amounts not effectively connected with a U.S. trade or business paid to certain "Foreign Financial Institutions", including the Fund, unless some information reporting requirements are complied with.

The Fund will use reasonable efforts to satisfy any obligations imposed on it in order to avoid the imposition of this withholding tax (except with respect to the interest of "recalcitrant account holders" as described in §1.1471-5(g)(2) of the Foreign Account Tax Compliance Act). A fund's ability to satisfy its obligations under an agreement with the U.S. Internal Revenue Service ("IRS") will depend on each participant of such fund providing the fund with any information, including information concerning the direct or indirect owners of such participant, that the fund determines is necessary to satisfy such obligations. Any such information provided to a fund will be shared either with the local tax authority or the IRS, depending on the Model of the Intergovernmental Agreement. An investment fund that is classified as subject to FATCA requirements will be required to register with the IRS and obtain a Global Intermediary Identification Number ("GIIN") and agree to have policies and procedures in place to identify certain direct and indirect U.S. account holders or equity holders. For these purposes the Fund would fall within the definition of a foreign financial institution ("FFI") for the purpose of FATCA.

Each prospective Participant agrees by signing the Subscription Form to provide such information upon request from the Fund Manager or the Administrator. If a fund fails to satisfy such obligations or if a participant of a fund fails to provide the necessary information to such fund, as applicable, payments of U.S. source income and payments of proceeds will generally be subject to a 30 per cent withholding tax.

The Fund may exercise its right to completely redeem a participant that fails to provide the Fund or the Administrator with the requested information in order for the Fund to satisfy its FATCA obligations, and the Fund may take any other action deemed necessary in relation to a participant's shares or redemption proceeds to ensure that such withholding is eventually borne by the relevant participant whose failure to provide the necessary information gave rise to the withholding tax. Each prospective Participant in the Fund should consult their own tax advisor regarding the requirements under FATCA with respect to their own situation.

The Fund will endeavour to satisfy the requirements imposed on the Fund by FATCA to avoid the imposition of FATCA withholding tax. However, there can be no guarantee or assurance that the Fund will comply with all the requirements imposed by FATCA. In the event that the Fund is not able to comply with the requirements imposed by FATCA and the Fund does suffer US withholding tax on its investments as a result of non-compliance, the Net Asset Value may be affected and the Fund may suffer loss as a result.

The Common Reporting Standard

The Netherlands is one of multiple jurisdictions which have agreed to the automatic exchange of financial account information on the basis of the standard published by the Organisation for Economic Co-operation and Development (the "Common Reporting Standard" or the "CRS"). Financial institutions resident in jurisdictions which have agreed to the CRS, should report certain account holder information to their local tax authorities who will then exchange such information with countries where account holders are tax residents. It can provide timely information on non-compliance where tax has been evaded, particularly where tax administrations have had no previous indications of non-compliance.

For the purposes of efficiency, the CRS was deliberately built on the framework of FATCA and replicates many of its principles, although there is no withholding tax regime or requirement for reporting financial institutions to register with Foreign Tax Authorities (as defined below). Furthermore, certain CRS client classification, due-diligence and reporting requirements differ from or are more expansive to those deriving from FATCA. Further inter-governmental agreements will therefore be entered into with other third countries by the Dutch government from time to time to enable reporting to such third countries' tax authorities ("Foreign Tax Authorities") as provided in the CRS.

By investing or continuing to invest in the Fund, Participants shall be deemed to acknowledge that:

- a) the Fund is considered to (i) be a reporting financial institution under the CRS and the Fund (or its agent) will be required to disclose to the competent tax authority of the Netherlands certain confidential information in relation to the Participant, including but not limited to the Participant's name, address, tax identification number (if any), social security number (if any) and certain information relating to the Participant's investment;
- b) the competent tax authority of the Netherlands will be required to automatically exchange information as outlined above with the Foreign Tax Authorities;
- c) the Fund (or its agent) will be required to disclose to the Foreign Tax Authorities certain confidential information when registering with such authorities and if such authorities contact the Fund (or its agent directly) with further enquiries;
- d) the Fund may require the Participant to provide additional information and/or documentation which the Fund will be required to disclose to the competent tax authority of the Netherlands;
- e) in the event a Participant does not provide the requested information and/or documentation, whether or not that actually leads to breach of the applicable laws and regulations by the Fund, a risk for the Fund or the Fund's Participants being subject to withholding tax or penalties under the relevant legislative or inter- governmental regimes, the Fund reserves the right to take any action and/or pursue all remedies at its disposal including, without limitation, compulsory redemption or withdrawal of the Participant concerned;
- f) no Participant affected by any such action or remedy shall have any claim against the Fund (or its agent including the Administrator) for any form of damages or liability as a result of actions taken or remedies pursued by or on behalf of the Fund in order to comply with the CRS, any further inter-governmental agreements or any of the laws and regulations related to the CRS; and
- g) all information to be reported under CRS will be treated as confidential and such information shall not be disclosed to any persons other than the competent tax authority of the Netherlands and the Foreign Tax Authorities or as otherwise required by law.

Participants should ensure that their tax affairs are compliant with the laws and regulations applicable in their jurisdiction(s) of residence and/or citizenship (as applicable).

10.14 CHOICE OF LAW, COMPETENT COURT

This Subscription Form shall be governed by the laws of the Netherlands, and shall be interpreted accordingly.

The Participant hereby irrevocably agrees that any action or proceeding relating in any way to this Subscription Form may be brought to the competent courts of Amsterdam and its appellate courts and irrevocably submits to the non-exclusive jurisdiction of such courts.

10.15 DATA PROTECTION

- 10.15.1 When processing Personal Data of or in relation to the Subscriber, the Fund Manager shall and shall cause the Legal Owner and the Administrator to comply and continue to comply with: (i) applicable data protection laws and regulations, including Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 (the “GDPR”); and (ii) the provisions of this section.
