DBE Presents:

The British Curriculum Programme for Overseas Students

About us

Deliver British Education Ltd. is an educational company based in London, UK. We provide a range of services, including English language courses, lessons in the National British Curriculum and the Cambridge International Curriculum, career guidance, university application support, and exam coordination.

Who Is This Programme For?

This programme is designed for overseas students that wish to study the British curriculum. It is particularly beneficial for students seeking to enhance their English language proficiency, subject-specific knowledge, and terminology. Additionally, this programme supports students aiming to study in English-speaking countries, such as in the UK, US, Canada, and Australia.

Benefits of the Programme for Students
