

POSTCARDS FROM TANGIER

33 BEAUTIFUL DU'AS
FOR THE SOUL

Ya Allah,
allow me to
start it with You,
stay through it
with You, and
end it with You.

Ya Allah,
if You see me
getting farther
away from You,
return me to You
in a beautiful way.

Ya Allah,
Ya Qawiy,
give me the
strength to
overcome and
win my daily
struggles.

Ya Allah,
Ya Latif,
help me to be
consistently kind
and to show
compassion even
in difficulty.

Ya Allah,
allow me to keep
some things
sacred and secret,
just between
You and me.

Ya Allah,
You are the
Subtly Gentle, so
be gentle in Your
moulding of me
till I become
someone whom
You are pleased
with.

Ya Allah,
allow me to be
in conversations
that only praise
and glorify You.

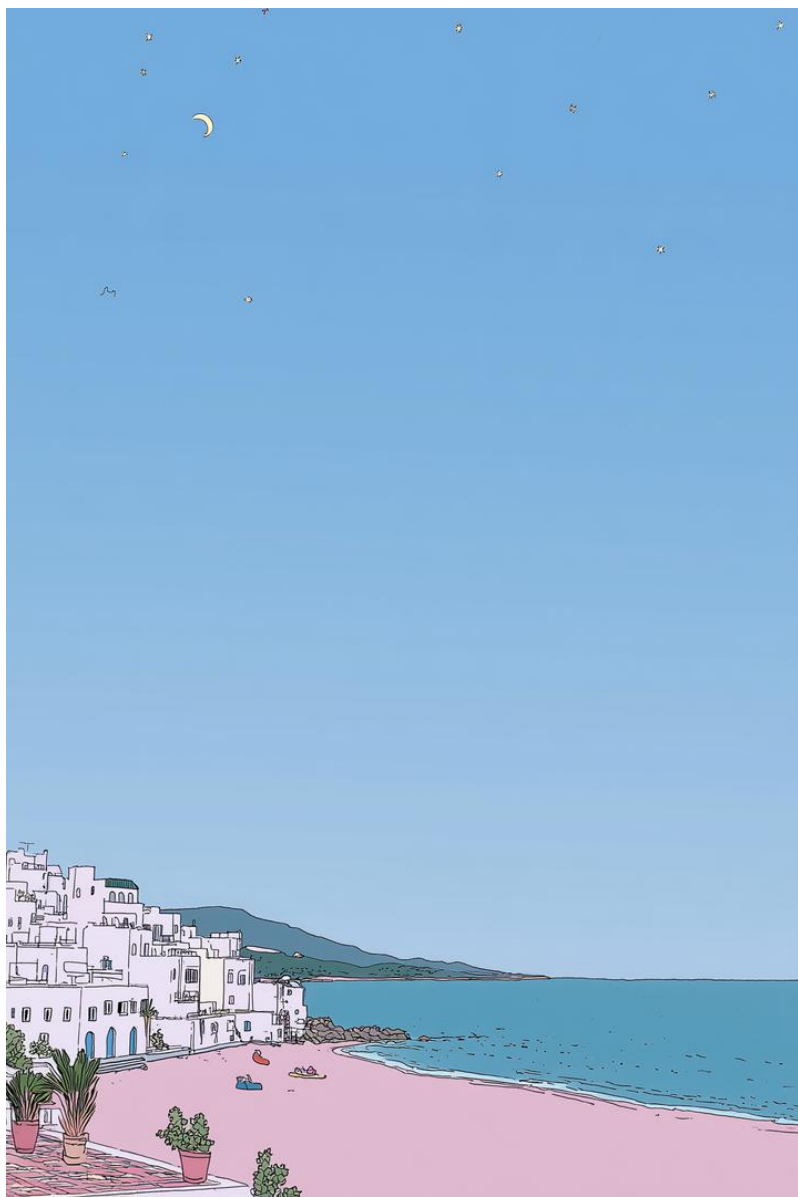

Ya Allah,
enlighten what is
dark within me,
mend what is
broken within me,
and heal what is
sick within me.

Ya Allah,
guide me to be
careful when
dealing with
people's sacred
hearts.

Ya Allah,
allow me to
remember that
You are not
asking me to
figure it out,
but to trust that
You already
have.

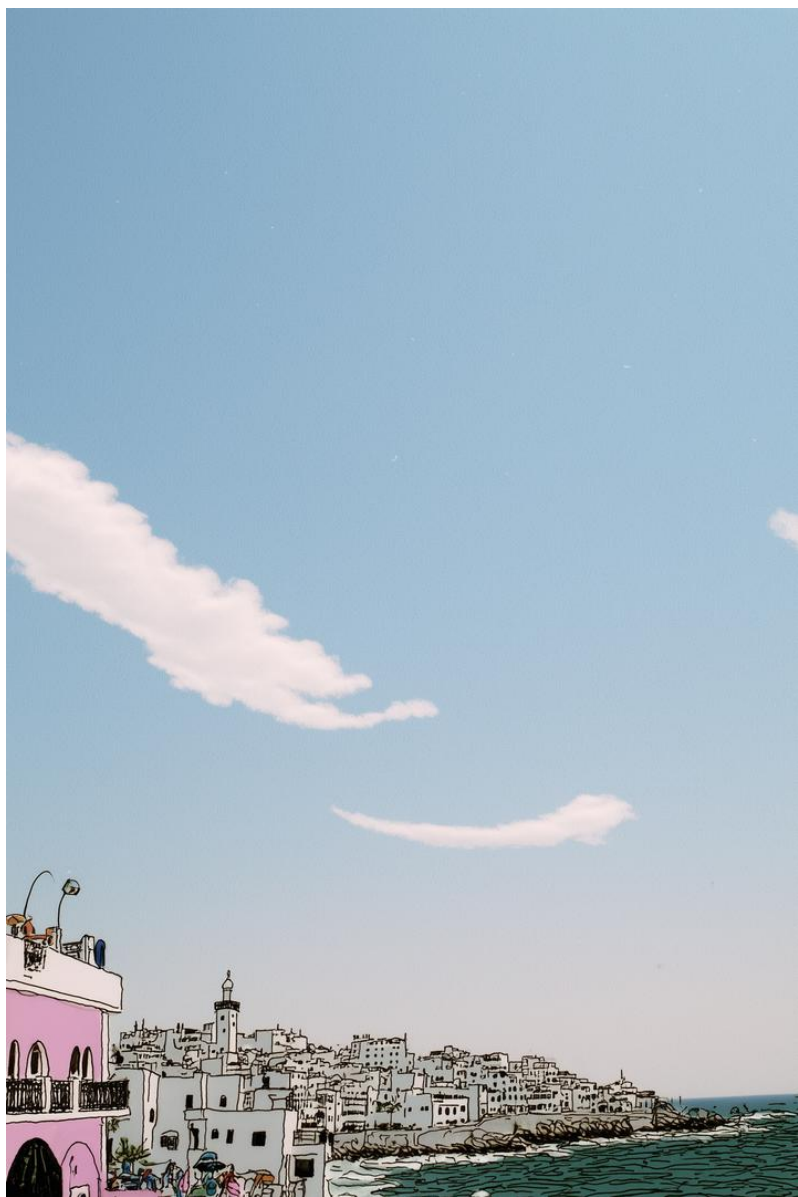

Ya Allah,
allow me to
understand that
in my mourning,
You are also
mending.

Ya Allah,
ease the burdens
of those who
have selflessly
eased mine.

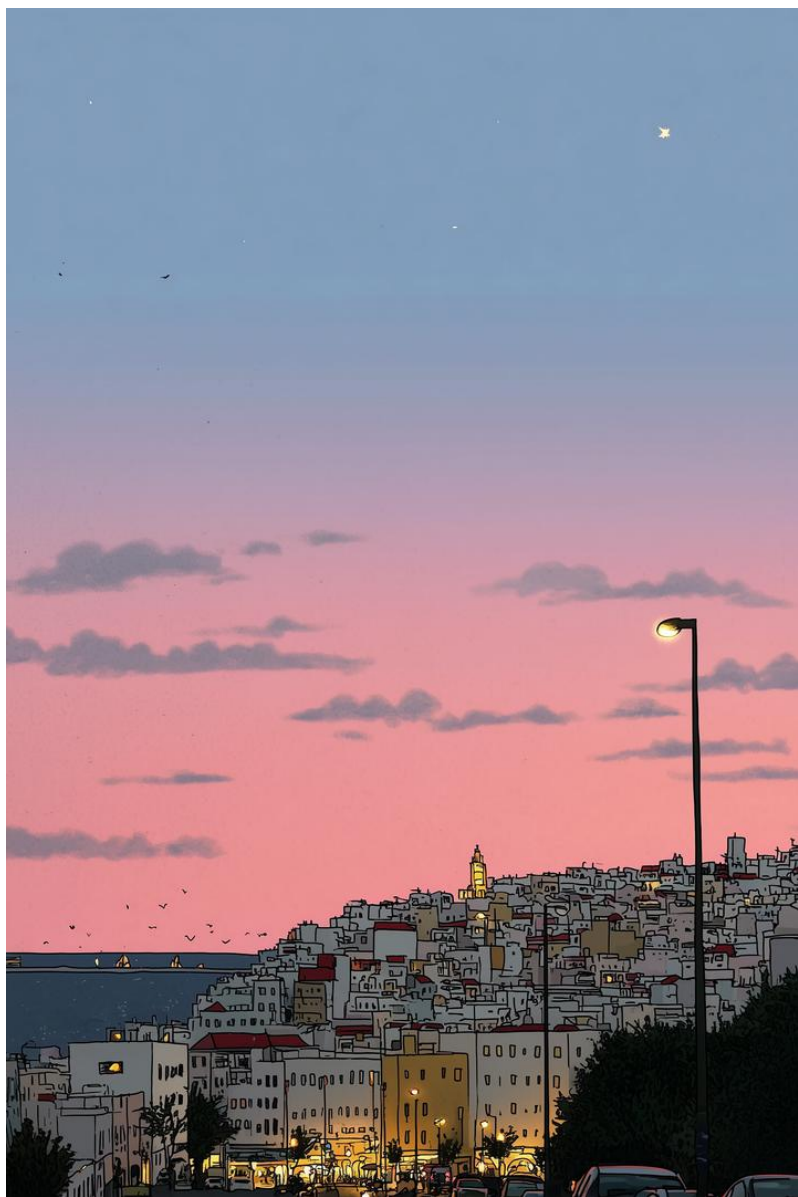

Ya Allah,
allow me to
remember that
sadness departs
with a single
sujud.

Ya Allah,
please let
Gratitude colour
every shade of
my life.

Ya Allah,
re-unite me with
everyone who has
prayed for me in
secret, in the
highest of
Jannah.

Ya Allah,
make my sincere
response to
everything be
Alhamdulillah.

Ya Allah,
remind me that
every opening
and every
healing that I am
looking for is
with You.

Ya Allah,
allow me to
remember that
You are the
Companion for
the one who is
alone and that
Your Love knows
no bound.

Ya Allah,
please make my
days fruitful,
my nights
restful, and my
home peaceful.

Ya Allah,
allow me to
always prostrate
to You, especially
when life gives
me more than I
can stand.

Ya Allah,
let my daily
work be soaked
with prayer.

Ya Allah,
help me find
balance between
my dreams and
my duties today.

Ya Allah,
allow me to be
soft in my heart
& in my speech,
but firm in my
boundaries.

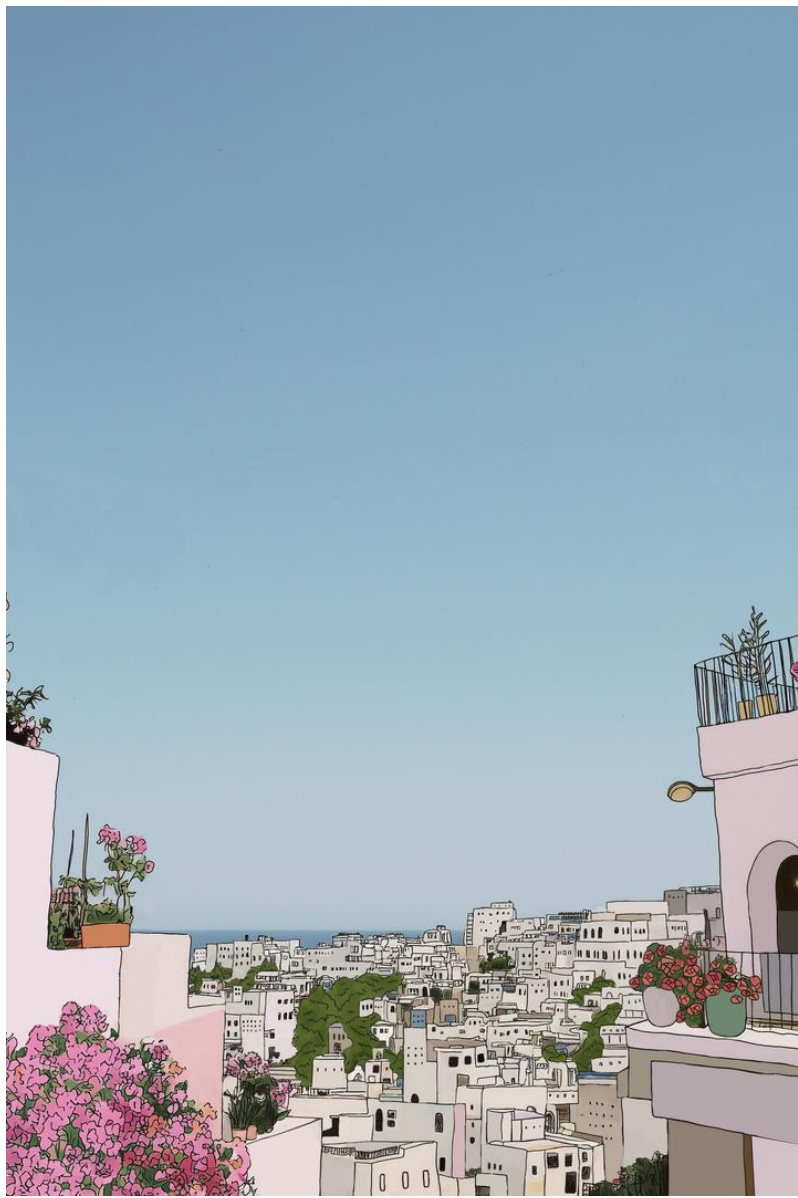

Ya Allah,
grant me patience
and tranquility as
I wait for what
You have written
for me.

Ya Allah,
allow me to be
like welcomed
rain to everyone
I meet; a relief, a
coolness, a
hopeful presence.

Ya Allah,
please open the
inner hearings in
my heart so that I
can be receptive
to Your Words.

Ya Allah,
pour light in my
heart, and change
me until I am
someone You are
pleased with.

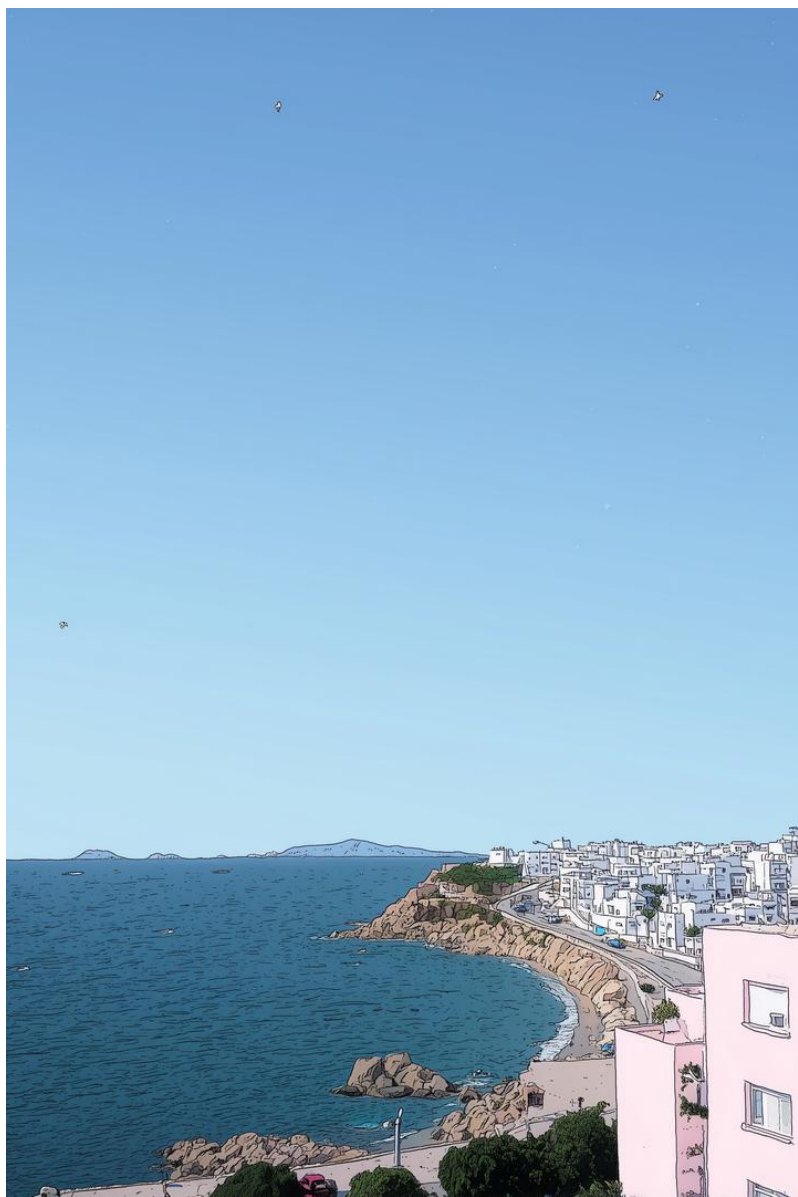

Ya Allah,
grant me eyes
that see the best
of other people,
and a soul that
will not stop from
praising You.

Ya Allah,
allow me to
notice Your Love
and Mercy with
every breath
I take.

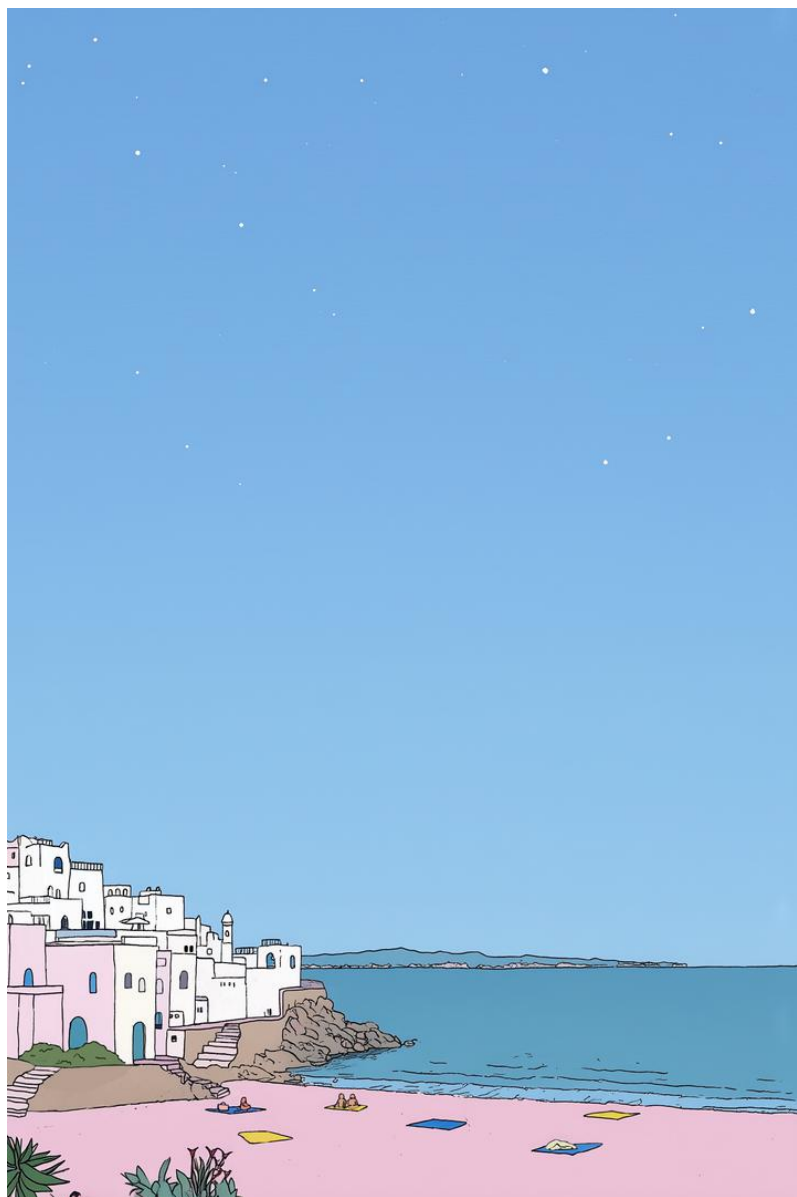

Ya Allah,
allow me to make
duas that will
change the world,
not just mine.

Ya Allah,
allow me to wake
up every morning
with a sense of
wonder, and to go
to bed every night,
tired-happy.

Ya Allah,
allow me to use
my blessings to
help as many
people as
possible.

Ya Allah,
remind me that
You are the only
One Who can
move, soften and
heal all hearts.
