

Risk Disclaimer

By using any services provided by Tylt (the "Platform"), including, but not limited to, investment opportunities, financial services, trading facilities, or any other offerings (collectively, the "Services"), you acknowledge that you have read, understood, and agreed to the risks associated with these activities. You understand that all activities on the Platform carry inherent risks that may result in significant or complete loss of your investment. The Services are not suitable for everyone, and you should carefully consider whether such activities align with your financial condition, risk tolerance, experience, and investment objectives.

The Platform, including any material or information provided therein, is offered on an "as-is" and "as-available" basis, without any guarantee of profit. Past performance is not indicative of future results. Any historical performance, case studies, or projected returns presented are for informational purposes only and should not be relied upon as a guarantee of any specific outcome. You understand and agree that investing or engaging in any financial activities through Tylt involves substantial risk of loss and may result in the loss of principal.

Tylt does not act as an advisor, fiduciary, or financial planner in connection with your use of the Platform or Services. The content and tools provided through the Platform are for informational purposes only and do not constitute professional advice. Tylt disclaims all liability for decisions made by you based on any information or other materials provided through the Platform. You are solely responsible for conducting due diligence, seeking independent advice, and making all investment decisions.

Certain markets, such as stocks, cryptocurrencies, commodities, or forex, are subject to substantial price volatility, which may impact your investment or trading outcomes. The values of investments can fluctuate due to market conditions, economic factors, regulatory changes, political events, or other unforeseen circumstances. Tylt cannot guarantee that any investment or trading opportunity will be profitable or stable. You agree that Tylt is not liable for any losses resulting from fluctuations in market prices.

If the Platform facilitates trading or investment in digital assets, including cryptocurrencies, you acknowledge that these assets are highly speculative and volatile, with risks including price manipulation, lack of regulation, hacking, and technical difficulties. Digital assets are not backed by any government or financial institution, and Tylt cannot guarantee that they will retain their value. You agree to assume all risks associated with investing in digital assets, and you accept full responsibility for any losses incurred.

The legal and regulatory landscape surrounding the Services provided by Tylt may change rapidly, which could impact your access to or the legality of certain investment products or Services. Regulations may vary based on jurisdiction, and Tylt does not warrant or represent compliance with laws in all regions. You are responsible for understanding the legal requirements and restrictions applicable in your jurisdiction and ensuring compliance before using the Platform. Tylt reserves the right to restrict access to the Platform or certain Services in response to regulatory changes.

The Platform may experience technical or operational issues, including software errors, system outages, cyber-attacks, data breaches, or other technological disruptions that could delay or prevent you from accessing the Platform or executing transactions. Tylt strives to implement security and contingency measures but cannot guarantee complete security or uninterrupted service. You agree that Tylt is not liable for any losses, damages, or delays resulting from operational or technological issues.

Tylt may engage third-party vendors, affiliates, or partners to provide certain Services or tools. These third parties are independent entities, and Tylt does not endorse, guarantee, or assume responsibility for any third-party offerings or actions. You agree to review any terms and disclaimers specific to third-party services and acknowledge that Tylt is not liable for losses or damages resulting from third-party activities, including inaccuracies, delays, or technical failures.

Investment activities may have tax implications, depending on your jurisdiction and specific circumstances. Tylt does not provide tax advice and is not responsible for any tax obligations you may incur as a result of using the Platform. You should consult with a tax professional to understand your tax obligations related to investments or trades made through the Platform.

Some Services on the Platform may permit the use of leverage or margin, which involves borrowing funds to increase potential returns but also significantly increases the risk of loss. Using leverage can amplify both gains and losses, and you may be required to deposit additional funds if market movements are unfavorable. You agree to fully understand the risks associated with leverage and margin and to bear all responsibility for the associated financial exposure.

No Warranty or Guarantee

Tylt disclaims all warranties, express or implied, regarding the accuracy, reliability, or completeness of any information provided through the Platform. You agree that Tylt is not liable for any inaccuracies, errors, or omissions in the information or content provided. The Platform and Services are provided without any warranty of merchantability, fitness for a particular purpose, non-infringement, or performance.

Assumption of Risk and Limitation of Liability

By using the Platform, you accept full responsibility for all risks associated with your investment decisions. To the fullest extent permitted by law, you agree that Tylt, its affiliates, officers, directors, employees, agents, and licensors shall not be liable for any direct, indirect, incidental, consequential, or punitive damages, including but not limited to financial losses, opportunity costs, or mental anguish arising from your use of or inability to use the Platform or Services.

Changes to this Disclaimer

Tylt reserves the right to modify or amend this Risk Disclaimer at any time without prior notice. Your continued use of the Platform constitutes acceptance of any updated terms. It is your responsibility to review this Risk Disclaimer periodically to ensure you are aware of the latest version.
