About Eka

Eka is a sacred vessel, sculpted from a single block of stone that symbolizes unity and timeless form. Inspired by the kumbha, Eka celebrates tradition, design, and the sacredness of holding. Its seamless silhouette, flowing curves, and textured surfaces reflect ancient craftsmanship and enduring narratives. Each finish captures the essence of nature’s soul and the artistry of stone. Meditative, tactile, and sculptural, Eka invites a pause; a quiet moment of reflection. A convergence of material and meaning, it transcends mere function, standing as a lasting emblem of legacy, heritage, and sacred design.

All pieces are made to order.
