💡 Experience

Intern @Jaen
Seoul, South Korea
June - Aug '22

Summer Internship
Individually monitored over 20 attendees throughout Jaen's coding course and Collaborated with leading lecturers as well as enhancing their experience through attentive care and assistance.

AKIS @SCAD
Savannah, GA
April '23 - Feb '24

Event Co-Lead
Conceptualized new events and programs for members and attending students. Additionally, communicated with members to ensure a positive experience, attended scheduled events, and unified members for productive meetings to organize large-scale events.

Intern @XrisP
Seoul, South Korea
June - July '23

UX/UI Summer Internship
Developed a new project concept and UI design, translated their Korean app to English, gained insights into app release timelines and customer expectations, and contributed to the UI design of their new website, collaborating effectively with designers and developers.

StartUp @SCAD 2024
Savannah, GA
May '23 - Feb '24

Lead of Social Media
StartUp is a one-week design competition, and our core team has been working on it for almost half a month. My primary role is as the lead for social media, where I plan all social media post concepts and the timeline for StartUp 2024. Additionally, I lead and communicate with the graphic designers, ensuring they design the posts following the style guide and complete them on time. I also maintain contact with other core team groups for social media updates.

Residence Life& Housing @SCAD
Savannah, GA
Mayr '23 - Present

Resident Assistant
I actively contributed to the development of a supportive environment for students residing in the college dormitory, assuming a leadership role to offer guidance and assistance. This encompassed conducting regular safety checks while also devising and organizing engaging activities aimed at fostering a strong sense of community among the student residents.
