

Aloha Ao

BABYJI · LYRICS

VERSE 1

We say:
Aloha Ao, I listen now
You know how to speak to me
You know about my circuitry

Aloha Pōhaku, I listen and I watch you
You've been here since ancient times
You speak to me in love and rhymes

CHORUS

Whoaaaa, It's a mind blow
And when my mind is clear
I can hear what is here

Aloha Lani, your beauty reigns upon me
You speak to me consistently
Of where we're from, this mystery

Aloha pua, I love the way you do the

And when my mind is clear
I can hear what is here
