VALKYRIE RELAY

SEVEN LEGS. ONE TEAM.

A short club conversation about building a team
for September 18, 2027

THE RACE IN ONE MINUTE

Seven different legs.
Shared by one team.

TRAIL RUN	MOUNTAIN BIKE	ROAD CYCLING	PADDLEBOARD	OPEN WATER SWIM	RIVER PADDLE	ROAD RUN

Nobody does all seven.

THE FIRST BARRIER

“I COULD NOT DO THAT.”

You only need one leg that fits you. The team covers the rest.

HOW A TEAM FORMS

1

ONE PERSON SAYS YES

2

THEY INVITE TWO PEOPLE

3

THE GROUP FILLS THE SEVEN LEGS

One person registers the team. Teammates join free.

THE TWO THINGS THAT STOP TEAMS

EQUIPMENT

Borrow, rent or share. Start months out.

A ROSTER GAP

A swimmer or paddler is often the missing seat. Ask for help early.

Both problems become easier when the team talks about them early.

YOUR NEXT CONVERSATION

WHO WOULD YOU ASK FIRST?

Start with two people who will definitely say yes. Ask each of them to bring one more.
