This presentation may contain forward-looking statements. Such statements are based on current expectations and involve risks, uncertainties, and assumptions beyond FintechWerx's control. Actual results may differ materially. FintechWerx undertakes no obligation to update or revise any forward-looking statements except as required by law.

Werx.

About Us

FintechWerx is a Canadian financial technology company providing onboarding, payments, identity verification, fraud mitigation, and data services to merchants, independent sales organizations, and payment service providers, offering an alternative to the need for a patchwork of providers. Additional information is available at www.sedarplus.ca or on the company's website: www.FintechWerx.com.

Mission

Whether you're a small business or a global enterprise, **FintechWerx helps merchants accept payments anytime, anywhere.** From instant onboarding to multi-currency support, we make it easy to deliver seamless, secure payment experiences that drive customer loyalty and business growth.

20+ Years Experience

Enterprise-grade Security

Global Scalability

Seamless Integration

The Fundamental Flaws of Traditional Stacks

FintechWerx is not just another payment provider. Its integrated, modular, intelligent platform delivers strategic advantages versus fragmented vendors or legacy processors.

Disjointed Onboarding

Legacy and manual processes create delays, frustration, and inefficiency.

Fragmented Infrastructure

Patchwork stacks and multi-vendor setups block scaling and agility.

Limited Intelligence

Pure-play gateways lack fraud, trust, and smart failover capabilities.

Performance Bottlenecks

High latency, brittle flows, and difficult debugging drag on growth.

Our Platform

Trust

We are PCI and GDPR compliant. We keep information secure.

Payments

We offer secure, real-time data transmission with B2C and B2B integration.

Grow and Scale

We enhance online experiences, drive conversions, and boost merchant loyalty.

Our Solutions

Services

FintechWerx streamlines payment processing, identity verification, and data management, enabling rapid deployment and continuous innovation. They help businesses optimize operations, enhance customer experiences, and drive growth across global markets.

Limitless Market Reach

FintechWerx isn't confined to one type of client because its architecture flexes to power merchants, partners, and entire ecosystems, no matter the vertical.

Merchants Of Every Size

From startups to enterprise businesses, FintechWerx scales onboarding, payments, and compliance to fit and facilitate growth

Emerging Frontiers

High-growth and regulated industries gain access where traditional processors shut them out

Team

Kent Carasquero

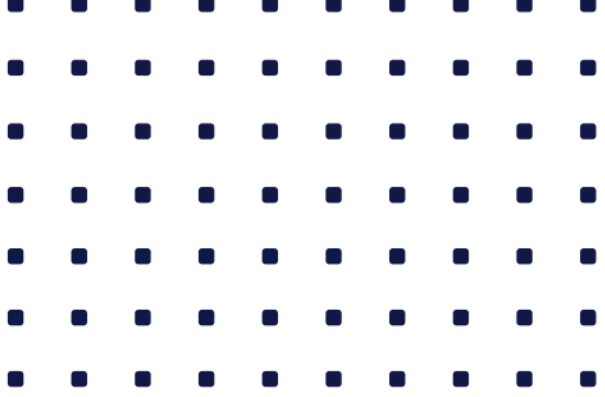

Co-Founder, Executive Chair

Kent has served in almost every facet of business — as a founder, board member, consultant, financier and now the Executive Chair of FintechWerx. He has over 20 years of experience in the payments industry and brings extensive knowledge and experience in providing strategic corporate and compliance services to early-stage corporations.

George Hofsink

Co-Founder, CEO

With 25+ years in fintech, George co-founded Auscan Strategies Ltd., advising major North American financial services firms. He previously led operations for Fiserv in Canada, a Fortune 500 company serving 80 countries.

Team

Claudio Lai

CTO

Claudio has decades in payments technology, founding FluidCast Technologies and delivering solutions for clients like NASA. Today he drives VR/AR projects and fintech innovations, blending tech with scalable monetization.

Adam Atlas

Corporate Advisor

Adam, a licensed lawyer in New York and Quebec, has 20+ years advising on payments, crypto, and compliance. He counsels on money transmission and regulatory matters, offering legal expertise critical to fintech growth.

Jon Lee

Board Member

Jon has 20+ years in payments and merchant services, with leadership roles at Global Processing Centre Canada and Open Solutions Inc. He advises fintech ventures on sales, business development, and strategic growth.
