EXPERIENCE

Senior Designer | May 2025 - Present

Dot Angle | Remote

- Lead the design and execution of digital and print marketing assets, including social media creatives, videos, motion graphics, emailers, and campaign materials.
- Design responsive website pages, landing pages, and UI/UX experiences that align with business goals and user needs.
- Create presentations, sales collateral, proposals, and corporate communication materials for internal and external stakeholders.
- Develop large-format exhibition booth graphics, standees, banners, and event branding while ensuring consistency across all touchpoints.

UI/UX & Graphic Designer | Jan 2024 - Apr 2025

Kalyani Motors Pvt Ltd (Maruti Suzuki) | Bangalore,India

- Designed user experiences for the Kalyani Motors App and Website using Figma, contributing to a platform that processed ₹50Cr+ in transactions.
- Created marketing assets, illustrations, presentations, motion graphics, and promotional content across digital and print channels.
- Collaborated with cross-functional teams to deliver cohesive branding, intuitive interfaces, and user-centric design solutions.

UI/UX & Graphic Designer | Jan 2023 - Dec 2023

Inline4 Automotives Pvt Ltd | Bangalore,India

- Designed and maintained the company's e-commerce website, improving user experience and digital brand presence.
- Created digital and print marketing materials including brochures, newsletters, advertisements, social media creatives, and website assets.
- Developed branding concepts, merchandise, apparel graphics, and promotional campaigns for automotive products and services.

Visual Designer | Oct 2020 - Dec 2022

EagleView India | Bangalore,India

- Designed interfaces, workflows, and visual assets for geospatial and aerial imagery applications, improving usability and accessibility.
- Created wireframes, icons, and interface components while supporting feature enhancements across multiple products.
- Collaborated with product, engineering, and business teams to deliver user-centered solutions and workflow improvements.
