FIX FIRST?"**

**REQUEST A PRIORITISED  
ACTION REPORT**

**RANKED, PRACTICAL  
ROADMAP**

**"THIS IS BEYOND  
OUR EXPERTISE"**

**ARRANGE A 3-WAY  
TECHNICAL CALL**

**PLAIN ENGLISH  
TECHNICAL GUIDANCE**

Protecting client cash flow with an outsourced risk team:

1

### Our Consultancy Prevents:

- Extended business interruption
- Emergency consultant fees (3x normal rates)
- Rushed technology purchases
- Lost customer confidence

2

### What You Gain:

- **Cyber consultants** available for client calls
- **Plain English reports** clients understand
- **Practical recommendations** (not theoretical frameworks)
- **Ongoing support** between assessments

3

### What You Keep:

- **Client relationship** – we work behind the scenes
- **Control of the Insurance conversation** – we support, don't replace
- **Trusted advisor role** – strengthened with cyber expertise
