Hagaha Bilowga – Sida Xalaasha ah ee Hantida Loo Dhisto

Waa maxay Halal Investing?

Halal Investing waa inaad lacagtaada u maalgeliso hab waafaqsan shareecada Islaamka. Ujeedadu ma aha oo keliya inaad lacagtaada kobciso, laakiin sidoo kale inaad hubiso in meesha aad lacagta gelinayso ay xalaal tahay. Taas waxaa ka mid ah inaad ka fogaato Riba (Interest), ganacsiyada xaaraanta ah, iyo Investments aan buuxin shuruudaha Shariah-compliant.

Aasaaska Halal Investing

1. Ka fogow Riba (Interest)

Ka fogow Investments faa'iidadoodu ku dhisan tahay interest, sida conventional bonds iyo waxyaabaha kale ee la midka ah.

2. Ka fogow ganacsiyada xaaraanta ah

Ha maalgelin shirkado ganacsigooda ugu weyn yahay khamri, gambling, doofaar, adult entertainment, tobacco, ama conventional financial services ku dhisan interest.

3. Hubi Shariah Compliance

In shirkaddu iibiso alaab ama adeeg xalaal ah keliya kuma filna. Stocks-ka waxaa sidoo kale lagu sameeyaa Shariah screening oo lagu eegayo dhaqaalaha iyo deynta shirkadda.

4. Faham Risk-ga

Investment kasta wuxuu leeyahay Risk. Qiimaha wuu kici karaa, wuuna dhici karaa. Faa'iido laguma ballanqaadi karo.

Xusuusnow: Shirkad ganacsigeedu xalaal yahay mar walba macnaheedu ma aha in Stock-geedu Shariah-compliant yahay. Hubi ka hor intaadan iibsan.

Noocyada Halal Investments

INVESTMENT	SHARAXAAD FUDUD
Stocks	Markaad Stock iibsato, waxaad leedahay qayb yar oo shirkadda ka mid ah. Dooro Stocks ka gudbay Shariah screening.
Halal ETFs & Mutual Funds	Funds isku haya Investments badan. Raadi kuwa si gaar ah loogu sameeyay ama loo baaray inay Shariah-compliant yihiin.
Real Estate	Guri, dhul ama property kale wuxuu noqon karaa Halal Investment haddii isticmaalka property-ga iyo qaabka financing-ku ay xalaal yihiin.
Business	Inaad bilowdo ama lacag geliso Business xalaal ah oo bixiya alaab ama adeeg la oggol yahay.

Fikrado Qaldan oo Caadi ah

“Stock caan ah haddii uu yahay, waa halal.”

Maya. Caan ahaansuhu ma go'aamiyo Shariah compliance. Shirkadda iyo dhaqaalaha shirkadda waa in la baaro.

“ETF kasta waa halal.”

Maya. ETF wuxuu hayn karaa shirkado ama Investments aan waafaqsanayn shareecada. Raadi Shariah-compliant ETFs.

“Halal Investment micnaheedu waa Risk yar.”

Maya. Halal iyo Risk yar isku mid ma aha. Investment xalaal ah qiimihiisu weli si weyn ayuu u kici karaa ama u dhici karaa.

“Lacag badan ayaan u baahanahay si aan u bilaabo.”

Mar walba ma aha. Waxay ku xiran tahay Brokerage-ka iyo Investment-ka, laakiin marar badan waxaad ku bilaabi kartaa lacag yar.
