WORK EXPERIENCE

Graphic Design Internship (2025)

Designed targeted print and digital materials for SUU's Graduate & Online office using Adobe Creative Cloud, supporting recruitment, admissions, and advising initiatives.

Designed promotional materials that aligned with SUU's visual identity, supporting campus advertisements and communication.

Admissions Clerk and Fraud Specialist (2023 - Present)

Process and review applications using Banner, Slate, and Google Suite, ensuring accurate records and timely communication throughout the admissions cycle.

Act as the primary point of contact for identifying and investigating fraudulent applications, helping maintain the integrity of the admissions process.

Provide front-line support to prospective undergraduate students via phone, email, and in person, offering guidance on application steps and documentation requirements.

EDUCATIONAL HISTORY

Bachelor of Fine Arts In Graphic Design (2026)

Coursework includes hands-on projects in digital, motion, print media, exploring color theory, layout design, and UX/UI principles at Southern Utah University.

Associate of Arts (2023)

Coursework included foundational art principles at Great Basin College.
