WHO WE ARE

Over the years, we've built a reputation as one of the leading property developers in the country, famed for our premium quality builds, at unbeatable prices, in some of the most unique and sort after locations in Greece. Our team of industry experts is committed to ensuring that each property in our ever-growing portfolio meets the same high standards Horizon Properties is renowned for.

OUR MISSION

At Horizon Properties, our mission is to make people's property dreams a reality. How do we accomplish this? By designing modern, affordable properties, in breath-taking locations, that are built to the highest standards.

DESIGN HIGHLIGHT

Our project in Marousi consists of modern and elegantly designed apartments in a prime residential area. The complex is located in one of the most sought-after neighborhoods of northern Athens, combining urban convenience with a sense of tranquility.
