The Switch to TeamLinkt

Humboldt Minor Hockey Association ran its website, registrations, payments, and communications across a patchwork of separate tools, with no single platform tying it together for families, teams, and admin staff. That gap meant extra manual work for a team without deep technical resources to manage it.

Moving onto TeamLinkt gave the club one dashboard for registration, communication, and admin work instead of a patchwork of separate tools, without requiring dedicated technical staff to run it day-to-day.

“I highly recommend the TeamLinkt platform to any organization or user group seeking a streamlined and accessible management tool.”

Jennifer Hinz
Webmaster, Humboldt Minor Hockey Assoc.

The Results

Humboldt Minor Hockey Association set out to give teams and families seamless access to league information, without needing a technical background to keep it running. TeamLinkt delivered exactly that.

- ✓ Teams and families now have easier access to league information than before.
- ✓ New avenues for community engagement opened up since access got simpler.
- ✓ Admin work handled in-house, without needing dedicated technical staff or outside support.
- ✓ Communication up 60%+, registration and payment issues down 75%+.

- ✓ Built for Non-Technical Admins
- ✓ One Platform. No Workarounds.
- ✓ Real Support When It's Needed
