CAREER EXPERIENCE

South African Hake Longline Association & South African Tuna Association Jan 2023 - Present
Social Media Manager

Managed social media platforms autonomously. Crafted and executed a unified visual brand identity across various social media channels utilizing Photoshop & Illustrator. Tracked social media analytics and generated reports on campaign efficacy. Strategized and implemented content calendars to maintain a regular cadence of engaging posts, customized for diverse platforms and audience demographics.

AlienXo - XOXO Creative Group Mar 2024 - Apr 2024
Marketing Design Intern

Provided creative event concepts, designed promotional materials, coordinated event management, and promoted events through social media and email campaigns. Collaborated with the marketing team to ensure design alignment with marketing goals.

Fish4Africa Sep 2023 - Mar 2024
Digital Marketing Intern

Provided trends research and analytics for various social media platforms

Molimo Maritime Agency Jun 2022 - Dec 2022
Invoicing & Debt Collector

Oversaw the invoicing process on Sage, ensuring timely and accurate creation and distribution of invoices to clients. Implemented proactive strategies to follow up on outstanding payments via email and phone, maintaining consistent communication channels. Managed payment records meticulously using Excel spreadsheets, updating them regularly to reflect current financial statuses. Produced professional certificates to acknowledge payments received.
