

Manufacturers TFG Represents

WCC

Commercial Water Treatment Equipment Including: High-Purity Systems Water Softening Systems, Water Reclamation Systems & Legionella Systems

PIPE & COUPLING

TYLER PIPE & COUPLING

Cast Iron Soil Pipe and Fittings

Highland Tank

Steel Storage Tanks, Fireguard Fuel Tanks Grease & Solids Removal Systems, Oil/Water Separators ASME Pressure Vessels, Water Storage Tanks (Fire Protection, Potable Water) Rain/Greywater Harvesting Systems, Thermal Energy Storage Tanks

Husky Couplings

Heavy Duty and Super Duty No-Hub couplings

Roof Penetration Housing

Rooftop Doghouses For Commercial & Mission Critical Applications

MILWAUKEE VALVE

MILWAUKEE / HAMMOND VALVE

Commercial and Industrial Valves including High-Performance BFV's

CYCLONE by RPH

Tornado/Hurricane rated protections for roof or wall penetrations including housing options, roof drains, vent to roof, vent to wall products, and escape roof hatches.

SPEAKMAN SPEAKMAN

High Quality Showering, Faucets, Emergency Equipment, and Commercial Plumbing Products

SportsEdge

Outdoor Sports Equipment & Stormwater Management

KUSEL

NSF Certified Stainless-Steel Drains

ABT

Trenchformer: Cast-in-Place Concrete Forming Trench System
Polydrain: Polymer Concrete Trench Drains & Utility Products

nVent CADDY

Hangers & Rooftop Supports Systems for Piping and Duct
