THE RESIDENCE

Designed around the way you live.

The Aurelia Residence brings together warm natural materials, generous light, and a calm architectural language. Every space is designed to feel connected, private, and quietly luxurious.

04

BEDROOMS

05

BATHROOMS

04

PARKING

620 m²

BUILT AREA

01

Architecture

Clean contemporary lines, expansive glazing, and carefully balanced proportions.

02

Interiors

Travertine, natural oak, soft textiles, and understated detailing create a timeless palette.

03

Outdoor Living

Landscaped terraces, a private pool, and seamless indoor–outdoor connections.

LOCATION

A considered setting.

Positioned in a sought-after coastal setting, the residence offers a balance of privacy, natural beauty, and access to everyday amenities.
