ADDITIONAL FEATURES

BRAND NAVIGATION

Enables users to filter and search through available brands, for an optimal user experience.

MULTI-PURGE

Purge up to 4 valves simultaneously, reducing maintenance time and ensuring optimal beverage quality.

CUSTOMIZABLE UI

Effortlessly adjust brand lineup and media interface.

BEYOND BOLD THE NEXT GENERATION

MORE OPTIONS, LESS SPACE

Available with 16 chilled & 12 ambient lines. Flexible from 20 to 24 brands, plus 4 flavor shots.

DUAL POUR CAPABILITY

Both nozzles can dispense simultaneously, reducing wait times and improving service efficiency during peak hours.

MAGNETIC NOZZLE COVERS

Provides effortless access to the interior of the nozzles for quick cleaning and maintenance.

ELEVATE YOUR ICE EXPERIENCE

RELIABLY DISPENSE COMMON TYPES OF ICE

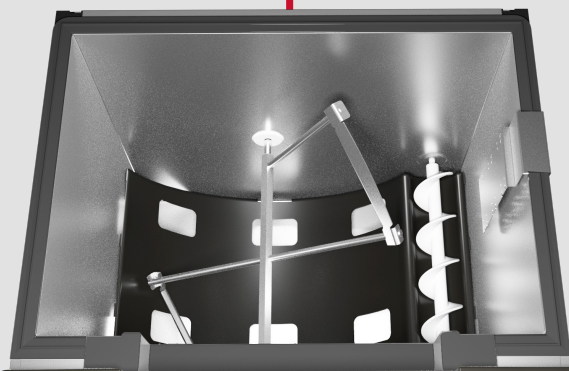

Our agitator and auger design consistently moves all types of ice with ease.

NO KITS REQUIRED

Streamline installations and maintenance, helping operators save time and reduce costs.

MORE ICE CAPACITY

Meet peak demand without interruptions, preventing service delays and enhancing efficiency.

20 TO 24 BRANDS

16 CHILLED

12 AMBIENT

4 FLAVOR SHOTS
