Rajshahi

ABOUT ME

I am a filmmaker and editor dedicated to high-impact storytelling. From commercial projects to social media originals, I specialize in creating striking visuals that resonate. My expertise in mobile cinematography proves that great stories aren't about the gear—they're about the vision. Whether you need creative direction, video editing, or end-to-end production, I bring a unique blend of humor and cinematic flair to every project.

EDUCATION

B.A. (Honours) in History
Bhawanigonj College

SKILLS

- Creative Direction
- Cinematic Storytelling
- Video Editing (Davinci/Premiere Pro/After Effects)
- Mobile Cinematography
- Scriptwriting
- Sound Design
- Color Grading

PROFESSIONAL EXPERIENCE

Assistant Director (Post-Production) | CineMaker

Dec 2024 – 2026

- Specializing in cinematic sound design, including Foley and Ambience sound for film projects.
- Assisting in post-production workflows to ensure high-quality narrative and technical precision.

Independent Filmmaker & Editor | 2022 – Present

- Directing and producing cinematic commercials for local and regional brands.
- Creating "Social Media Originals"—a series of short films and skits focused on humor and relatable storytelling.
- Managing full production workflows: from initial brainstorming and scriptwriting to final post-production.
- Proving the potential of mobile cinematography by delivering professional-grade visual content for various digital platforms.
