

# AJ Dimke

Student

## ABOUT ME

I'm a digital media creator, specializing at an advanced level in Video Editing, Filmmaking, and Photography. I've grown with, and developed each of these mediums, supported by my digital media production program at school. My portfolio is available at [ajdimke.com](http://ajdimke.com)

## JOB EXPERIENCE

### Freelance Video Editor — 2022–Present

- Built off local video work, and personal projects to a freelance video editing identity online, working with medium to high ticket YouTube projects.
- Experience in the Adobe Suite to an advanced level within Adobe Premiere Pro and After Effects, as well as Davinci Resolve; intermediate experience color grading
- High quality visuals, narrative pacing, and motion graphics

### Videographer & Web Manager, Dahlstyle, Portland, OR — 2022–Present

- Produced over 50 professional fashion videos, managing production from lighting, audio, and post-production
- Improvements in video quality and workflow efficiency, earning recognition for creativity and technical expertise
- Managed website design updates and scheduled content uploads

## MEDIA EXPERIENCE

### School Ads — 2023, 2024

- Wrote, directed, and edited a narrative yearbook ad
- Produced a creative old-timey infomercial for the school radio program
- Among other short form pieces of content I assisted in producing and editing

### Home Films — 2024–2025

- Music-driven car film trailer
- Created a cinematic from a family vacation, shot on my phone
- Produced a creative short film about a family vacation trip
