

Join our Team!

As a VVAF Volunteer

Our vision at Vancouver Visual Art Foundation is to create a signature destination and premier events that brings global awareness to the visual arts in Vancouver. We cultivate a positive and supportive environment that encourages artists and the public to express themselves unconditionally.

You can join our team in one of three volunteer avenues: long-term volunteers, event volunteers, or international volunteers.

Long-Term Volunteers

As a VVAF Long-Term Volunteer, you will commit to a minimum three month term to work with our staff behind the scenes in a variety of ways. We encourage you to bring your expertise in the relative department such as marketing, fund development, or blog writing. In time, you will gain valuable experience in your field of choice as you expand your personal career portfolio and professional contacts.

VVAF Long-Term Volunteers will enjoy:

- Flexible placement either in-office or work from home
- One-on-one personal development plan
- Quarterly Volunteer Newsletters
- Volunteer Certificates and/or Letters of Reference
- Four complementary multi-day passes to Art Vancouver

Event Volunteers

As a VVAF Event Volunteer, you will be the hands and feet of our mission for our main events such as Art Vancouver International Art Fair, and Art Downtown the summer art market. We invite all who appreciate art to join our community of vibrant volunteers.

VVAF Event Volunteers will enjoy:

- Free VVAF and/or Art Vancouver T-shirt
- Quarterly Volunteer Newsletters
- Volunteer Certificate
- Free guest passes to their participating events

International Volunteers

As a VVAF International Volunteer, you will first sign up with an exchange program in your country or origin. Once you have been approved by your organization, you can apply with your company to travel to Canada and volunteer with VVAF. You will get the chance to work part time alongside our team at the Art @Bentall gallery right in the heart of Downtown Vancouver. **Please note: we do not send invitation letters for coming into Canada.**

VVAF International Volunteers will enjoy:

- Comprehensive job-specific training
- In-person team building
- On-on-one personal development plan
- Quarterly Volunteer Newsletters
- Volunteer Certificates and/or Letters of Reference
- Free VVAF and/or Art Vancouver T-shirt

“

“The organizers treat the volunteers with politeness and professionalism, which makes me feel valued working for the VVAF. It's definitely a job that makes me feel fulfilled.

My best memory is the blue sky and a cruise ship in front of Lot 19. This is the most beautiful view I can enjoy when I'm working at Art Downtown.”

• Ana, Events Volunteer

“What I can say after 5 months volunteering for VVAF is that it is totally inspiring to share my love for art with others and learn about people and their cultures from all over the world.”

- Carla, Long Term Volunteer
