WORK EXPERIENCE

Web Designer at The Financial Maniac
June 2026–present // San Jose, CA

Graphic Designer at Cal Poly ASI
May 2025–June 2026 // San Luis Obispo, CA

Created campaigns across digital and print applications to promote student events, opportunities, and resources. Managed simultaneous project milestones in a fast-paced environment, while collaborating closely with peers, requesters, and print vendors

UX Design Team Lead at Cal Poly Iter8
January 2026–June 2026 // San Luis Obispo, CA
Co-led a team of designers on a web design consulting project. Performed user research in order to implement findings, and developed design iterations into interactive prototypes

Graphic Designer at Cal Poly Robert E. Kennedy Library
April 2023–June 2026 // San Luis Obispo, CA
Designed branded promotional materials for the Cal Poly SLO Library. Piloted digital signage to promote library resources, developed UX prototypes for website update, and presented my work at staff & faculty events

Visual and Web Design Intern at DataFinity Group
June 2024–September 2024 // San Jose, CA
Led the update of DataFinity's brand and marketing assets, with priority on creating a cohesive design system in order to launch a full redesign of the previous website

CLUBS & LEADERSHIP

Junior Design Director at Cal Poly Iter8
June 2025–June 2026
Design director in a UX design club created to give students professional experience in collaborative spaces. Created design assets to promote Figma workshops and professional partnerships

Design Director at UX Fest SLO
June 2025–June 2026
Designed assets for a club that pushes boundaries in UI/UX design, promoted events and partnerships through print and digital formats, and provided logistical support for the annual 24-hour designathon competition
