\$157K

Beneficiary Lives Touched
In 2026

13,772

Youth Mentored
In 2026

1,965

Service Hours Committed
In 2026

41,265

1 Ideate

Workshops are honed to design thinking & project management.

2 Funding

Receive grants up to \$10k/team with our partners.

3 Execute

1-to-1 experience student mentorship, months-long project execution.

4 Sustain

Annual handover project to encourage sustainable effort over time.

Ethos

1. Service Learning, Simplified

Over the past year, Spin Up! has conducted workshops to help facilitate our fellows' development of both hard skills and soft skills. **Guest lectures** and **focused discussions** have also been held to broaden fellows' view of service learning and aid them in their service learning journeys. Through the Opening Series and Youth Action Expo, we've helped kickstart and wrap up over 30 service learning projects, touching the lives of our fellows, mentors and the wider community.

2. Funding Access

During the Mid-Year Evaluation in June, fellows had the opportunity to pitch directly and receive project funding from our partner organisations. Compared to typical Young Changemakers (YCM) Grant applications, Spin Up!'s expedited funding process allowed fellow teams to receive funding and start work months earlier.

3. Network of Partners

Fellows received mentorship from experienced student mentors, beneficiary matching from our partner network, as well as exclusive guest lectures and workshops.

Testimonials:

#1 Project Meow

“...small, consistent actions can still make a real impact.”

“Working together strengthened our **communication** and **leadership skills**”

~Evangeline (Jurongville Secondary School), 16

“Spin Up taught us about **meaningful community work** and **patience, consistency** and **teamwork**.”

~Meicen (Jurongville Secondary School), 16

“**consistent actions** can still **make a real impact.**”

~Netra (Jurongville Secondary School), 16

Testimonials:

#2 Project Lauda

“Eye-opening, confidence boosting, and highly meaningful.”

“...Spin Up has given our team the **courage** and **opportunity** to **step out of our comfort zones** and **expand our horizons**. Through the various sessions conducted over the months, we learnt to better **empathise** with the **needs** of our society today and how to better **serve** our target group, Migrant Workers.

“...the **guidance** provided by the **dedicated** group of **mentors** at Spin Up was definitely something that could not be missed. They were **crucial** in helping our project **map out our future events** to be held, and **patiently guided** us in **brainstorming** for bigger events.”

Testimonials:

#3 Ms Clarice Teoh

Teacher, Jurong Secondary School

“students...have a better understanding of what service learning is”

The workshops gave students **opportunities** to have a **better understanding of what service learning is** and how students can come up with **feasible** proposals for students to **implement**.

The **workshops** that spanned a few sessions allowed students to **understand** the process better and how the **support** from the **mentors** was **useful**.

Case Studies:

2025 Project Focus Area Composition

Spin Up! 2026: Project Focus Area Composition

Case Studies

#1 Project Lauda

“ Holding its first event on 25 July 2025 with 55 student and teacher participants and 20 volunteers, Project Lauda has grown over its course. It has further partnered with **Migrant Domestic Workers at ACMI** on 24 August 2025, inviting 5 S1-3 students from CHIJ St Nicholas Girls' School to lead a group of 12 MDWs in a crochet workshop.

From September to October 2025, Project Lauda initiated **our series of VIA activities** in preparation for our fundraiser. Project Lauda also held a **booth** on the last day of school, sharing more about our activities, raising awareness for the MDWs, and inviting students to partake in Rosary-making to contribute to our fundraiser during our school's End-of-Year SyNerGise event, during which vice-principals, teachers, and over 100+ students from P6-S4 visited our booth.

We also successfully carried out **Project Lauda x ACMI Fundraiser** at the Church of The Holy Spirit on 8-9 November 2025, amassing over \$2163.20 in funds for ACMI.

Case Studies

#2 Project Lumina

“ Project Lumina identified the problem of **loneliness** in seniors, and therefore introduced **unique, creative activities** that seniors rarely get to experience—such as tea blending, bouquet making, and therapeutic gardening. This ensures that their time in the nursing home is **not only enjoyable, but their senses are also stimulated, fostering connection and bring warmth and companionship into their daily lives.**

SESSION 1:
CLAY ART
30 VOLUNTEERS
40 SENIORS

SESSION 2:
GARDEN WALK
20 VOLUNTEERS
15 SENIORS

SESSION 3:
GARDEN WALK
20 VOLUNTEERS
15 SENIORS

AND 3 MORE
