

Color is a wide world.
Dyesol moves through all
of it, sourcing and
supplying the right color
solutions for manufacturers
across industries.

- Acid Dyes for Nylon, Silk & Polyamide
- Disperse Dyes for Polyester
- Direct Dyes for Cotton & Denim
- Basic Dyes in Powder & Liquid Form for Pulp and Paper
- Solvent Metal Complex Dyes for Wood Stains
- Polymer Soluble Solvent Dyes (Plastic Dyes) for Engineering Plastics
- Dyes for Soap & Detergent
- Phthalocyanine Pigments
- Azo Pigments
- High Performance Pigments
- Inorganic Pigments

Every shade is
a story written
in chemistry.
Ours transcends
Beyond Colors.
