Whereas, the Company desires to assist the Dealer in the marketing and sale of Contracts;

Now Therefore, in consideration of the promises and the mutual covenants herein contained, the parties hereto agree as follows:

DEFINITIONS

- The Program shall be operated and administered as an administrator obligor Program in all states where permitted by law. However, the Program instead shall be operated and administered as a dealer obligor program in those states where required by law.
- The terms "Contract" or "Contracts" and "Application(s)" refers to a powersport Service Contract and/or an Ancillary Service Contract, Warranty Product, or GAP Waiver Agreement approved by Company and properly sold or provided by Dealer, incidental to and as a natural extension of its business of selling, leasing, or servicing powersport units.
- The term "Contract Holder" refers to the purchaser or proper recipient of a Contract.
- The term "Covered Repairs" refers to repairs, replacement, labor, materials, and any other services of the Dealer or the Company under the Contracts.
- The term "Repair Facility" means a person or entity in the business of repairing powersport units and that has agreed with the Company to honor claims for Covered Repairs under Service Contracts.
- The term "Qualified Unit" means a powersport unit that satisfies all of the underwriting criteria and guidelines of the Program for coverage under a Contract. Powersport units may include on and off-road motorcycles, personal watercraft, snowmobiles, on and off-road all-terrain vehicles ("ATVs"), and utility task vehicles ("UTVs").
- The term "Post Sale" refers only to any Service Contract sold more than thirty (30) days after the powersport unit purchase date, and/or any Service Contract sold on any powersport unit not originally purchased through the issuing Dealer. Ancillary Service Contracts, Warranty Products, or GAP Waiver Agreements are not eligible for Post Sale and must be sold only in conjunction with the purchase of a vehicle.

RESPONSIBILITIES OF COMPANY

- Company hereby grants authority to Dealer to receive and accept Applications from Dealer's customers to purchase coverage under the Program.
- Company has acquired and agrees to maintain insurance coverage, or maintain an actuarially sound program of self-insurance, at Company's sole expense, which shall ensure that the Company fulfills its obligations to Dealer's customers.
- Company agrees to provide administrative forms, promotional displays, manuals, and unexecuted Contract forms to enable Dealer to offer Company's Contracts and perform Dealer's obligations as set forth herein; and
- Company agrees, upon proper notice, to verify that Contracts are valid and enforceable prior to Dealer or Repair Facility performing Covered Repairs. Dealer agrees that when Covered Repairs are provided by a Repair Facility, claim payments shall be paid directly to the Repair Facility

or directly to a Contract Holder that has paid the Repair Facility directly, and Company shall have no liability to Dealer for such payments or any loss or damage caused by defective materials installed by, or the workmanship or negligence of, Repair Facility.

- Company shall review, adjust, investigate and settle claims submitted by or on behalf of Contract Holders under a Contract which are presented, verified, and approved by Company under the Program. Dealer, Repair Facility, or Contract Holder shall then be reimbursed for Covered Repairs to the extent provided for under the Contract that was purchased by the Contract Holder.

- Company shall maintain an insurance policy which will provide coverage for all proper claims submitted under the Program in all states where such insurance coverage is required by law.
- All Contracts will be subject to Company's right to reject a Contract or cancel a Contract because: (A) The powersport unit was ineligible for coverage and/or term requested, or (B) fraud in the Contract, or (C) fraud in the use of the Contract, or (D) incorrect or no fee remitted, or (E) the Contract does not meet underwriting guidelines as prescribed from time to time by Company, or (F) the Contract was sold in violation of the stated terms and conditions.

DEALER OBLIGATIONS

Each Contract shall be sold or provided only for a Qualified Unit and only in accordance with and subject to Company's Program guidelines, coverage, rules and fees indicated on Company's current rate card in effect at the time such Contract is sold or provided.
- Dealer agrees it shall not make any representations altering, varying, or contrary to the express provisions contained within the Contract. Company may at any time and in its sole discretion revise its Programs, coverage, rules and fees, and Dealer shall promptly conform to any such revisions. Dealer assumes responsibility for any powersport unit defects existing at time of sale.
- Dealer shall, as promptly as possible following the sale or provision by Dealer of a Contract to a customer, but no later than thirty (30) days after such sale or provision, remit to Company the net dealer cost for such Contracts as set forth in the most recent dealer rate card provided to Dealer by Company. Neither Company nor insurance carrier shall have any obligation to Dealer or Contract Holder with respect to any Contract until Dealer has remitted to Company the full amount of net dealer cost.
- If a Contract is remitted to Company sixty (60) days or more from Contract issue date, Company reserves the right to notify Purchaser of risk of rejection due to non-payment of Contract and Dealer shall be liable for any claim initiated on said Contract prior to date funds are received by Company. Neither Company nor insurance carrier shall have any obligation to Dealer or Contract Holder with respect to any Contract until Dealer has remitted to Company the full amount of net dealer cost.

On the ninetieth (90th) day from Contract issue date, Company reserves the right to reject Contract and notify Purchaser, Lien Holder and Dealer of rejection of Contract due to non-payment.

The Company is not responsible for any repairs or replacements made without its prior authorization and the Dealer agrees that it shall be solely responsible for all such repairs or replacements.
- Dealer shall be reimbursed for Covered Repairs based on the retail labor rate and flat rate manual shown below and the Dealer's retail cost of replacement parts that are of like kind and quality. Dealer agrees to submit all claims for reimbursement within thirty (30) days after completion of repairs. For claims not submitted to Company within ninety (90) days from the date of repair, Company and the insurance carrier shall not have any obligation or liability with respect to such claims.
- Dealer agrees to sell powersport units in good working order.
- Dealer agrees to charge its internal rate for parts and labor required in connection with any repair or replacement made under a Contract which

has been in force for thirty (30) days or less.

- Dealer agrees to unconditionally warrant all repairs covered by Company's Service Contract Program for a period of not less than twelve (12) months or three hundred and sixty-five (365) days.
- Dealer shall not publish, reproduce, circulate or display any advertisement or other promotional or marketing materials related to the Company and its Contracts or other Programs, services or products, without the prior written approval of the Company. - Dealer agrees to comply with all federal, state, and local laws, rules, and regulations applicable to the Program and to Dealer's activities.
- Dealer shall hold harmless, indemnify and defend Company, its directors, officers, shareholders, employees, agents and assigns against all claims, demands and actions for loss, liability, damage, cost and expenses (including attorneys' fees) caused by any act or omission of Dealer or its employees in the performance of this Agreement; violation of any applicable law or regulation; or which arise from any Program Contract sale or application which is not reported to Company as required under this Agreement.
- Dealer shall refund to the customer and/or lien holder, as its interest may appear, its portion of the unearned Contract premium, inclusive of any sales tax paid by the customer, in the event of cancellation of an in-force Contract and as is required by state law. Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
