

Behaviour and kindness

How we support children to manage big feelings and get along.

SAMPLE POLICY - replace this file with your own policy in the CMS (Settings > Policies).

Our approach

We name feelings, model kindness and give children simple words for sharing, waiting and saying sorry.

When things are hard

Adults stay calm and close, help children make it right, and never use shouting or time-outs that shame.

Working with you

We share what works at nursery and listen to what works at home, so children hear the same message.
