Level Up Your Organization's Cybersecurity Knowledge!

We are offering a virtual gamified presentation during Cybersecurity Awareness Month,highlighting the month's key messages and advice including multi-factor authentication,strong passwords and phishing.

Organizations can have additional messaging to tie their Cybersecurity Awareness Month program to the show.

FEATURING:

- Engaging 40 - 50 minute presentation with trivia and poll questions
- Live (virtual) hosts from the National Cybersecurity Alliance
- Crowd participation via Crowdpurr online engagement platform
- Time for audience Q&A
- Opportunity for co-hosting with the event organization partner

HOW IT WORKS

- Participants join via QR code or URL on any device.
- Responses are recorded on the phone or device on a player 'view' while the webinar will continue to display the main presenter view.
- 20 questions will appear on both the player's device and the webinar video. The bank of questions in 2024 are all either multiple-choice or true/false.
- Everyone has a chance to win, answers are scored on both accuracy and speed – the faster a player answers correctly, the more points they score!

Scheduling

Once we've found a date and time for your session, we will hold that time for one week.

When you're ready to confirm, simply send us a calendar invite with the meeting link and we'll accept that as your confirmation.

Honorarium

As event host, we ask that you provide an honorarium and cover any costs associated with the event, such as travel to and from the event. All funds received from speaking engagements are used to further the mission of the National Cybersecurity Alliance.

- Minimum donation: $3,500

Inability to pay honorariums should not discourage you from completing the application, as we are particularly sensitive to the needs of those with limited funds.
