

Welcome to *ACME*

ACME Venture Capital Investment Fund: Venture to success in a dynamic industry.

As part of a well-established business tradition and ACME, works in the food & beverage, and entertainment industry to offer projects with soul.

It stands out from its competitors with years of experience and various projects with different concepts.

It inspires its stakeholders and builds its reputation as it wins the satisfaction of those it serves to success in a dynamic industry.

In today's world of food & beverage and entertainment, concept and quality mean everything.

In the food and beverage & entertainment industry, projects that are framed with certain concepts and planned correctly always yield the right results.

In order to get the right results, the concept is accompanied by elements such as project design, customer targeting, tailor-made marketing planning, business planning and management.

Today, ACME is a leading actor that gathers under the same roof exquisite projects and a straightheaded approach, and a team that has been offering beautiful projects, success stories and love brands for the last 15 years.

Innovation and concept development: Our greatest strength.

At ACME, we are working with all our strength to shape the food & beverage and entertainment life with innovative concepts. We are here to design first-hand inspiring spaces and services in the food & beverage and entertainment industry.

We follow the trends in the world, while we never lose sight of the requirements of the location where we will implement the project.

We focus on experience first and foremost. In line with that, we focus on client satisfaction through high-quality products and services. Our main objective is to give happiness to our clientele, to make them love our brands and to gain regulars.

ACME works to become a World-leading actor in the food & beverage and entertainment business. We are striving to shape the Turkish food & beverage and entertainment sector with original and brand-new projects. We are planning to implement new projects, to move numerous brands abroad by reshaping one or more of our existing brands according to the needs of the destination.

In a few years, ACME will become a worldwide-known business leader in the food & beverage and entertainment industry.

The image shows the interior of a bar named 'MORETENDERS'. The space is dimly lit with warm, ambient lighting. On the right, a long bar counter is lined with a wall of shelves filled with various bottles of alcohol. In the center, a barista is seen from behind, working at the counter. To the left, there is a green tufted sofa and a small table. A large mural of a woman's face with a crown is on the wall. The floor has a patterned tile design. A white text box with a double border is overlaid in the center, containing the name 'MORETENDERS' in a stylized font.

An aerial photograph of a lush, landscaped garden. The garden features several curved wooden paths that wind through a dense collection of plants, including palm trees, ferns, and other tropical foliage. In the center, there are several circular or semi-circular wooden structures, possibly seating areas or small stages, surrounded by more plants. The overall scene is vibrant and well-maintained, with a mix of green and brown tones from the wood and soil.

The image captures a lively nightclub atmosphere. In the background, a DJ is seen from behind, illuminated by blue and purple stage lights, working at a console. A large projection on the wall shows a close-up of a person's face. In the foreground, a long table is set with a variety of colorful drinks, many of which are garnished with lit sparklers, creating a festive and celebratory mood.
