pt4: AYCE Fish Tacos (John 6:1-14)

Icebreaker: Think of a time when you felt like you didn't have enough—whether it was time, energy, resources, or patience. How did you handle the situation?

- 1) Take some time to review John 6:1-14 and share any observations from the passage. Why do you think Jesus asked Philip how to feed the crowd when Jesus already knew what He was going to do?
- 2) When faced with the challenge of feeding the crowd, Philip focused on the cost, while Andrew presented what was available. Do you tend to approach challenges like Philip or like Andrew? Share any examples that come to mind.
- 3) Jesus declares that He is the “Bread of Life.” How does this statement deepen the meaning of the miracle of feeding the 5000? What does it mean to rely on Jesus as your ultimate sustenance and satisfaction?
- 4) What are some “five loaves and two fish” moments in your life - small things that seem inadequate on their own? What are some areas in your life where you feel like you have too little to make a difference?
- 5) Before God provides, He often tests. Can you recall a time in your life when you felt tested before receiving a breakthrough? How did that experience shape you and your faith?
- 6) The miracle left 12 baskets of leftovers, showing God's abundant provision. What is one area of your life where you need to shift from a mindset of scarcity to a mindset of trusting in God's abundance?
- 7) How can we as a life group practice trusting God with what we have, even when it seems like it's not enough?
