MassMetric Accessibility Policy

Our Commitment to Accessibility

MassMetric is committed to ensure digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

Measures to Support Accessibility

To achieve our accessibility goals, we have implemented the following measures:

- **Accessibility Training:** We provide ongoing training for our team to ensure awareness and understanding of accessibility best practices.
- **Accessibility Audits:** We conduct regular audits and user testing to identify and address accessibility issues.
- **Inclusive Design:** We have incorporated accessibility into our design and development processes from the onset.

Conformance Status

The Web Content Accessibility Guidelines (WCAG) define requirements for designers and developers to improve accessibility for people with disabilities.

MassMetric aims to comply with **WCAG 2.1 Level AA standards. (minimum standard required for Global websites by June 2025)**

Compatibility with Browsers and Assistive Technology

MassMetric is designed to be compatible with the following:

- **Web Browsers:** Latest versions of Chrome, Firefox, Safari, and Edge.

- **Assistive Technologies:** Screen readers, magnifiers, and other assistive technologies.

Limitations and Alternatives

Despite our best efforts to ensure accessibility, some content may not be fully accessible. In such cases, we will provide alternative means of access upon request.

Assessment Approach

At MassMetric we assess the accessibility of our website through:

- **Self-evaluation:** Regular internal audits and user testing.
- **External Evaluation:** Periodic reviews by third-party accessibility tools.

Feedback

We welcome your feedback on the accessibility of MassMetric. If you encounter any accessibility barriers, please contact us:

- **Email:** info@massmetric.com
- **Phone:** +1 214 295 7746
- **Mailing Address:** 8668 John Hickman, Parkway Suite 1004, Frisco, Texas, USA – 75034

We are committed to responding to accessibility feedback promptly and effectively.
