

# SHSM With LearnIt

## Onsite at your school

Personalized onsite workshops and sessions conducted by our facilitators, tailored for SHSM certifications at your school.

## Offsite at our corporate partner's facilities

Offsite workshops hosted at our corporate partner's offices, providing a hands-on experience of learning in corporate environments. Includes 2 SHSM certificates, an office tour and satisfies **SHSM Reach Ahead** requirements

## Virtual

Virtual sessions conducted online via Zoom!

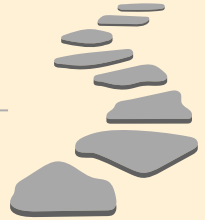

Led by industry professionals across all levels, who can intricately share the steps they took to achieve their dream jobs with students.

## Compulsory Courses:

1. Cardiopulmonary Resuscitation (CPR) Level C
2. Workplace Hazardous Materials Information System (WHMIS)
3. Customer Service
4. Standard First Aid

## Optional Courses: Non-Exhaustive

1. Entrepreneurship
2. Effective Networking
3. Portfolio Development
4. Business Ethics
5. Public Speaking
6. Negotiation Training
7. Project Management
8. Leadership Skills
9. Financial Planning
10. Business Etiquette
11. Equity and Inclusion

# Over 97%

of students we've worked with have expressed interest in attending more sessions

I believe the way the workshop is set up is perfect, I like how engaging the facilitators are, they make sure each person is caught up.

This was an amazing opportunity and I learned a lot about LinkedIn and how to create more effective professional profile and connections.
