VITRO X5

DOUBLE BEAN

The Vitro X5 Double Bean Espresso Machine offers a leap in coffee service technology, delivering double the coffee selection and double the pleasure. Designed for environments with medium to high demand, this machine supports over 250 coffee services per day and includes innovative features that cater to a wide array of preferences. Its sophisticated design, combined with high-quality materials, ensures it fits seamlessly into any upscale office, hotel, or working environment.

MACHINE FEATURES

DUAL BEAN FLEXIBILITY

With two whole coffee bean hoppers and two high-performance grinders, the Vitro X5 Double Bean allows you to offer a variety of coffee roasts and blends, enhancing personalization and satisfaction.

HIGH CAPACITY AND VERSATILITY

Capable of holding significant amounts of coffee beans, milk, chocolate, and tea, the machine is perfectly equipped to deliver a wide range of drinks, from classic espressos to creamy chocolates.

USER-FRIENDLY INTERFACE

Choose from up to 20 specialty coffee options using either the intuitive touch screen or the innovative Distance Selection technology, which enables touchless operation to maintain hygiene and convenience.

ADVANCED BREWING SYSTEMS

The traditional espresso AZK V30 brewer provides optimal flavour extraction and creaminess, tailored to each specific blend.

BEST FOR INDUSTRIES IN

HIGH-TRAFFIC LOCATIONS

Ideal for settings where quick, quality coffee service is essential.

LARGE OFFICE AND HOTELS

Enhance the coffee service in corporate break rooms and hotel lobbies, providing guests and employees with a premium coffee experience.

WHY CHOOSE THIS MACHINE?

CUSTOMISATION AT YOUR FINGERTIPS

With the ability to adjust grind settings, drink strength, and cup sizes, each coffee is made to meet individual tastes.

HYGIENIC AND SAFE

The touchless selection feature ensures a safer use environment, crucial for today's health-conscious spaces.

SEAMLESS PAYMENT INTEGRATION

Equipped to handle various modern payment options including cash, card, cashless systems, or mobile payments through the Pay4Vend App.

MACHINE DIMENSIONS (DXWXH)

610mm x 480mm x 895mm
